

**PRECAUTIONARY STATEMENTS:
HAZARD TO HUMANS AND
DOMESTIC ANIMALS**

CAUTION: Keep away from humans, domestic animals and pets. Exposure during pregnancy should be avoided. If swallowed, this material may reduce the clotting ability of the blood and cause bleeding. When mixing baits, wear dust respirator and rubber gloves. If on skin, wash with soap and water.

NOTE TO PHYSICIAN: If ingested, administer Vitamin K₁ intramuscularly or orally, as indicated in bis-hydroxycoumarin overdoses. Repeat as necessary based on monitoring of prothrombin times.

ENVIRONMENTAL HAZARD

Keep out of lakes, streams or ponds.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

MIXING DIRECTIONS

Thoroughly mix one part of Concentrate with 19 parts of a suitable bait material (cereal, grain, fish, meat, and vegetable). For example, mix 11 parts rolled oat groats, 6 parts whole yellow ground commeal, one part sugar, and one part corn oil with one part of Diphacinone Concentrate. Blend 20 minutes in a rotary blender.

USE RESTRICTIONS: For control of Norway rats, Roof rats and House mice in and around homes, industrial and agricultural buildings, and similar man-made structures.

Treated baits must be placed in locations not accessible to children, pets, domestic animals or wildlife or in tamper-proof bait boxes.

Place meat and fish baits only in tamperproof bait boxes or deeply into rat burrows because dogs and cats will actively search them out.

Do not place bait in areas where there is a possibility of contaminating food or surfaces that come in direct contact with food.

SELECTION OF TREATMENT AREAS:

Determine areas where rats and/or mice will most likely find and consume the bait. Generally these areas are along walls, by gnawed openings, in or beside burrows, in corners and concealed places, between floors and walls,

**DIPHACINONE
CONCENTRATE**

**A CONCENTRATE FOR
PREPARING BAITS TO KILL
NORWAY RATS, ROOF RATS,
AND HOUSE MICE.**

ACTIVE INGREDIENT:

Diphacinone	
2-(Diphenylacetyl)-1,3-Indandione	0.1%
INERT INGREDIENTS	99.9%
<hr/>	
TOTAL	100.0%

CAUTION

KEEP OUT OF REACH OF CHILDREN

See left panel for additional
precautionary statements.

NET CONTENTS 50 LBS. (22.7 kg)

Manufactured by
BELL LABORATORIES, INC.
Madison, WI 53704

ACCEPTED
JUL 11 1988
Under the Federal Insecticide, Fungicide, and
Rodenticide Act, as amended, for this
pesticide registered under
EPA Reg. No. 12455-9

or in locations where rodents or their signs have been observed. Remove as much food as possible.

APPLICATION DIRECTIONS

RATS: Apply 4 to 16 ounces of bait per placement. Maintain an uninterrupted supply of fresh bait for at least 10 days.

MICE: Apply 1/4 to 1/2 ounce (1-2 level tablespoons) of bait at 8 to 12 foot intervals. Larger placements (up to 2 ounces) may be needed at points of very high mouse activity. Maintain an uninterrupted supply of fresh bait for at least 15 days.

RATS & MICE: Replace contaminated or spoiled bait immediately.

If perishable baits (meat, fish, or vegetable) are used, place fresh baits in late afternoon. Replace daily with fresh baits.

Collect and dispose of all dead animals and unconsumed bait properly. To prevent reinfestation, eliminate food, water, and harborage as much as possible. If reinfestation does occur, repeat treatment. Where a continuous source of infestation is present, establish permanent bait stations and replenish bait as needed.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Storage: Store only in original container, in a dry area inaccessible to children and pets.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Completely empty carton into application equipment. Then dispose of empty carton in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

Warranty: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
