CAUTION

KEEP OUT OF REACH OF CHILDREN

See label for first aid instructions.

NET WEIGHT 1.00 lb.

10000000

CAUTION: This bait is

extremely toxic when ingested. It is a potent emetic and should be given immediately after ingestion. If vomiting does not occur, repeat the dose. Do not give any food or drink until the patient has vomited. If the patient is unconscious, do not give anything by mouth. Call your doctor immediately for further instructions. If you are unable to reach your doctor, call the Poison Control Center at (212) 860-1111.
