PRECAUTIONARY STATEMENTS**Hazards to Humans and Domestic Animals**

Fatal if swallowed or inhaled. Do not get in eyes, on skin, or on clothing. Do not breathe dust. When mixing baits, use a dust/mist filtering respirator with MSHA/NIOSH approval number prefix TC-19C. Wear protective clothing and waterproof gloves. Wash arms and face with soap and water after mixing or handling and before eating or smoking. Remove contaminated clothing and wash before reuse.

Exposure to Warfarin during pregnancy should be avoided. Warfarin may cause harm to the fetus, including possible birth defects.

NOTE TO PHYSICIAN: If ingested, administer Vitamin K₁ intramuscularly or orally, as indicated in bishydroxycoumarin overdoses. Repeat as necessary, based on monitoring of prothrombin times. Severe cases may require administering Vitamin K₁ intravenously and giving blood transfusions.

Environmental Hazards

This product is toxic to fish and wildlife. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewerage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

**TECHNICAL
WARFARIN**

For formulation only into registered end-use rodenticides to kill Norway rats, roof rats, and house mice.

Active Ingredient: Warfarin;	
3-(alpha-Acetonilybenzyl)-	
4-hydroxycoumarin.....	99.9%
Inert Ingredients.....	00.1%
TOTAL	100.0%

**KEEP OUT OF REACH OF CHILDREN
DANGER-POISON****STATEMENT OF PRACTICAL TREATMENT**

In all cases of suspected poisoning, immediately contact a physician or Poison Control Center.

IF SWALLOWED: Drink 1 or 2 glasses of warm water and induce vomiting by touching back of throat with finger. Repeat until vomit fluid is clear. Do not induce vomiting or give anything by mouth to an unconscious person.

IF ON SKIN: Wash with plenty of soap and water.

IF IN EYES: Flush with plenty of water.

IF INHALED: Remove to fresh air. Do not breathe dust. If breathing has stopped, start artificial respiration immediately and continue until physician sees victim.

See Physician's Note and side panel for additional precautionary statements.

DIRECTIONS OR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Only for formulation into a Rodenticide for: (1) The following uses: control of Norway rats, roof rats, and house mice in and around homes, industrial buildings, similar man-made structures, and in transport vehicles; (2) Uses for which US-EPA has accepted the required data and/or citations of data that the formulator has submitted in support of registration; and (3) Uses for experimental purposes that are in compliance with US EPA requirements.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store only in original container, in a dry place inaccessible to children and pets.

In case of minor spills, follow all precautionary statements on this label and cleanup immediately. Sweep up and dispose of wastes and broken or empty containers in a landfill approved for pesticide use.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal or discharge of excess pesticide or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Completely empty bag into mixing equipment by shaking and taping sides and bottom to loosen clinging particles. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

Triple rinse (or equivalent) plastic pail. Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by State and local authorities, by burning. If burned stay out of smoke.
