PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: Keep away from humans, domestic animals and pets. May be fatal or harmful if swallowed or inhaled. Do not breathe dust. Do not get in eyes, on skin, or on clothing. If swallowed, this material may reduce the clotting ability of the blood and cause bleeding. When mixing baits, wear dust respirator and rubber gloves. If on skin, wash with soap and water.

NOTE TO PHYSICIAN: If ingested, administer Vitamin K₁ intramuscularly or orally, as indicated in bishydroxycoumarin overdoses. Repeat as necessary based on monitoring of prothrombin times.

ENVIRONMENTAL HAZARDS: This product is toxic to wildlife. Keep out of lakes, streams or ponds.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Only for formulation into a Rodenticide, for (1) the following uses: in and around homes, agricultural and industrial buildings, similar manmade structures, and in sewers for control of Norway rats, roof rats, and house mice; (2) uses

EPA EST. NO. 12455-WI-1

EPA REG. NO. 12455-71

Manufactured by:

Bell Laboratories, Inc.
Madison, WI 53704 U.S.A.

for which US EPA has accepted the required data and/or citations of data that the formulator has submitted in support of registration; and (3) uses for experimental purposes that are in compliance with US EPA requirements.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store only in original container, in a dry area inaccessible to children and pets. Do not store near food or feed.

IN CASE OF SPILLS: Isolate area and keep animals and unprotected persons away. Personnel equipped with protective suits, gloves, and dust respirators should place the spilled product in sift-proof containers or plastic bags. Contact local authorities for disposal.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Then dispose of liner in a sanitary landfill, or by incineration if allowed by State and local authorities. If container is contaminated and cannot be reused, dispose of in same manner.
