Madison, WI 53704

JUL 10 2012

Dear Mr Lublinkhof

Subject Formulation Change in Addition to Labeling Changes  
Tomcat Mouse Killer II  
EPA Registration No 12455-123  
Decision No 461514

The confidential statement of formula dated February 15, 2012 for the basic formulation has been reviewed and is acceptable All other previous basic confidential statements of formula are considered obsolete Per the product chemistry review dated June 1 2012, please submit storage stability and corrosion data for this new formulation Additionally the labeling referred to above submitted in connection with registration under the Federal Insecticide Fungicide, and Rodenticide Act as amended, is acceptable A stamped copy is enclosed for your records Please submit one (1) final printed copy for the above mentioned label before releasing the product for shipment

**Note** Should you wish to add a reference to the company's website on your label, please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency If the website is false or misleading the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E) 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading In addition, **regardless of whether a website is referenced on your product's label**, claims made on the website may not substantially differ from those claims approved through the registration process Therefore should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance

If these conditions are not complied with the registration will be subject to cancellation in accordance with FIFRA section 6(e) Your release for shipment of the product constitutes acceptance of these conditions If you have questions about this letter, please contact Jennifer Gaines at (703) 305-5967 or via e-mail at [gaines.jennifer@epa.gov](mailto:gaines.jennifer@epa.gov)

Sincerely yours,

John Hebert  
Product Manager (07)  
Insecticide-Rodenticide Branch  
Registration Division (7505P)

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling  
**READ THIS LABEL** Read this entire label and follow all use directions and use precautions Use only for the sites pests and application methods described on this label

### USE RESTRICTIONS

This bait station may be used in indoor areas accessible to children, consistent with all use restrictions and other requirements indicated in this label **DO NOT USE THIS PRODUCT OUTDOORS OR IN AREAS ACCESSIBLE TO PETS**

This product may only be used to control house mice TOMCAT MOUSE KILLER II bait station must be used in buildings consistent with all use restrictions and other requirements indicated on this label Do not place this bait station in any area where there is a possibility of contaminating food or surfaces that come into direct contact with food

**SELECTION OF TREATMENT AREAS** Determine areas where house mice will most likely find and consume the bait. Generally, these areas are along walls, by gnawed openings, in corners and concealed places

**APPLICATION DIRECTIONS**

Place the bait station at highest point of activity along a wall or in corner where signs of house mice have been seen. If additional units are to be used, place bait stations at intervals of 8 to 12 feet. Maintain an uninterrupted supply of fresh bait for at least 15 days or until there no longer are signs of house mouse activity in infested areas. Replace bait station when bait is consumed or contaminated

**Follow-up** Wearing gloves, collect and properly dispose of any emptied bait stations or carcasses. To discourage reinfestation eliminate food, water and harborage as much as possible. If reinfestation does occur, repeat treatment

**PRECAUTIONARY STATEMENTS**

**Hazards to Humans and domestic Animals**

**CAUTION** Bait contents harmful if swallowed. Keep away from children, domestic animals and pets. Any person who retrieves carcasses or unused bait following application of this product must wear gloves

**USER SAFETY REQUIREMENTS** As soon as possible, wash hands thoroughly after applying bait and before eating, drinking, chewing gum, using tobacco, or using the toilet

**FIRST AID**

**HAVE LABEL WITH YOU WHEN OBTAINING TREATMENT ADVICE**

**IF SWALLOWED**

- Call a poison control center, doctor, or 1-877-854-2494, or 1-800-858-7378\* immediately for treatment advice
- Have person sip a glass of water if able to swallow
- Do not induce vomiting unless told to do so by the poison control center or doctor

**IF ON SKIN**

- Wash with plenty of soap and water

\* Also call this number for information on health concerns and pesticide incidents

**TREATMENT FOR PET POISONING**

If an animal eats this bait, call a veterinarian at once

**NOTE TO PHYSICIAN OR VETERINARIAN**

Contains the nerve poison bromethalin. This product is not an anticoagulant type rodenticide. For humans or animals ingesting bait and/or showing poisoning signs (such as muscle tremors, loss of hind limb use, or seizures for animals), limit absorption by either emesis or gastric lavage. Sublethal symptoms, if present, would be the result of cerebral edema and should be treated accordingly through administration of an osmotic diuretic and corticosteroid

**ENVIRONMENTAL HAZARDS**

This product is extremely toxic to fish, birds and other wildlife. Dogs and scavenging mammals and birds might be poisoned if they feed upon animals that have eaten this bait. Do not apply this product directly to water.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**Pesticide Storage** Store only in original container in a cool, dry place inaccessible to children and pets.  
**Pesticide Disposal and Container Handling** Nonrefillable Container. Do not reuse or refill container except as described in the Directions For Use.  
**If Empty** Place in trash or offer for recycling if available.  
**If Partly Filled** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**WARRANTY** To the extent consistent with applicable law, seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
