OFFICE OF CHEMICAL SAFETY
AND POLLUTION PREVENTION

Decision No. 443910
R-340 5-895835
1155

MAY 13 2011

Bell Laboratories
3699 Kinsman Blvd.
Madison, WI 53704

Attention: Mr. John Lublinkhof

Subject **Tomcat® Mouse Killer VII**
EPA Reg. No. 12455-127
Your amended application of December 17, 2010

Purpose This amended application includes data to change the type of bait station from Tier 4 (self-certification) to Tier 3 (resistant to child tampering) and revised labeling associated with this change for this product, under sec 3 of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA).

Review We have reviewed the data submitted to change the type of bait station from Tier 4 to Tier 3, under the Agency's revised May 28, 2008 "Risk Mitigation Decision for Ten Rodenticides", and found them acceptable.

CSF Your revised Confidential Statement of Formula (CSF), dated December 17, 2010, is acceptable. All other versions are obsolete.

Labeling The labeling submitted with the above letter, under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) is acceptable, subject to the comments below, and provided you submit one (1) copy of final printed labeling to us, before you ship your product.

- On page 4 of the label, per the Agency's efficacy review, delete or revise the following marketing statements:

Revise as follows:

“House mouse bait in a child tamper-resistant ~~feeding~~ bait station”

“House mouse killer in a child tamper-resistant ~~feeding~~ bait station”

Delete in its entirety:

“Can be used indoors or out”

Existing stocks Stocks of products with existing labels may be used for eighteen (18 months).

Consequence for non-compliance If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

Questions If you have questions about this letter, please contact Dan Peacock at 703-305-5407 (by phone), 703-305-6596 (by fax), or peacock.dan@epa.gov (by E-Mail).

Sincerely yours,

Rosanna Louie-Juzwiak

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ THIS LABEL: Read this entire label and follow all use directions and use precautions. Use only for the sites, pests and application methods described on this label.

USE RESTRICTIONS:

This bait station may be used in indoor areas accessible to children, consistent with all use restrictions and other requirements indicated in this label. **DO NOT USE THIS PRODUCT OUTDOORS OR IN AREAS ACCESSIBLE TO PETS.**

This product may only be used to control house mice in homes. TOMCAT MOUSE KILLER VII bait station must be used in homes consistent with all use restrictions and other requirements indicated on this label. Do not place this bait station in any area where there is a possibility of contaminating food or surfaces that come into direct contact with food.

SELECTION OF TREATMENT AREAS: Determine areas where house mice will most likely find and consume the bait. Generally, these areas are along walls, by gnawed openings, in corners and concealed places.

APPLICATION DIRECTIONS:

Place the bait station at highest point of activity along a wall or in corner where signs of house mice have been seen. If additional units are to be used, place bait stations at intervals of 8 to 12 feet. Maintain an uninterrupted supply of fresh bait for at least 15 days or until there no longer are signs of house mouse activity in infested areas. Replace bait station when bait is consumed or contaminated.

Follow-up: While wearing gloves, collect and dispose of emptied bait stations and all dead animals. To discourage reinfestation, eliminate food, water and harborage as much as possible. If reinfestation does occur, repeat treatment.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Block bait in station is harmful if swallowed. Keep away from humans, domestic animals, and pets. Any person who retrieves carcasses or unused bait following application must wear gloves.

USER SAFETY REQUIREMENTS: As soon as possible, wash hands thoroughly after applying bait and before eating, drinking, chewing gum, using tobacco, or using the toilet.

FIRST AID	
HAVE LABEL WITH YOU WHEN OBTAINING TREATMENT ADVICE	
If Swallowed	<ul style="list-style-type: none"> • Call a poison control center, doctor, or 1-877-854-2494 immediately for treatment advice. • Have a person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by the poison control center or doctor.

NOTE TO PHYSICIAN
If swallowed, this material may reduce the clotting ability of the blood and cause bleeding. If ingested, administer Vitamin K ₁ intramuscularly or orally. Repeat as necessary based on monitoring of prothrombin times.

TREATMENT FOR PET POISONING
If animal eats bait, call veterinarian or 1-877-854-2494 at once.
NOTE TO VETERINARIAN
Anticoagulant Diphacinone: For animals ingesting bait and/or showing poisoning signs (bleeding or elevated prothrombin times), give Vitamin K ₁ .

ENVIRONMENTAL HAZARDS

This product is extremely toxic to mammals, birds and other wildlife. Dogs, cats and other predatory and scavenging mammals and birds might be poisoned if they feed upon animals that have eaten this bait. Do not apply directly to water.

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Store only in original container in a cool, dry place inaccessible to children and pets.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER HANDLING: This is a nonrefillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partially filled:** Place in trash or call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

WARRANTY: To the extent consistent with applicable law, seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions
