DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling

Kills exposed or accessible stages of these insects:

Ants	Flies
Cockroaches	Gnats
Crickets	Mosquitoes
Flies	Silverfish
Fruit flies	Spiders
Phlyc. Moths	Wasp
(Small flying moths)	

One 5 ounce aerosol can treats up to 5000 cubic feet.

One 12 ounces aerosol can treats up to 12,000 cubic feet.

How To Use:

Open any cabinet doors and drawers to allow maximum kill in all areas where insects can hide and breed. Close doors and windows and shut off fans and air conditioning to maximize killing power of fog. Remove pets and tightly cover or remove fish bowls or aquariums. Cover exposed foods, dishes or food handling equipment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. Put out all lights including pilot lights.

Directions:

SHAKE WELL JUST BEFORE USING. Place can on level raised surface such as stand or table, with protective covering underneath to prevent possible marring of surface. With can at arms length, direct spray away from face. Depress tab until it clicks in locked position. Exit immediately. Keep area closed for 10 minutes. Do not remain in treated area and ventilate before reoccupying.

DISPOSAL

Wrap container and dispose of in trash. Do not incinerate.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Use in food processing plants should be confined to time periods when the plant is not in operation. Foods should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. Avoid inhalation of spray mist. Avoid contact with skin or eyes.

STATEMENT OF PRACTICAL TREATMENT

- If swallowed - Drink one or two glasses of water and induce vomiting by touching the back of the throat with finger. Repeat until vomit fluid is clear. Call a physician immediately. Do not induce vomiting or give anything by mouth to an unconscious person.
- If inhaled - Remove victim to fresh air. Apply respiration if indicated.
- If in eyes - Flush eyes for at least 15 minutes with water. Call a physician if irritation persists.

PHYSICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herein.
