Patti L. Lynn  
Scott Paper Company  
dba Sani-Fresh International  
4702 Goldfield  
San Antonio, TX 78218

Subject: Product Name: Maxi-Qwik Concentrate Heavy-Duty Bowl  
Cleaner  
EPA Registration No.: 13215-3  
Your Submissions Dated January 16, 1990  
and January 25, 1990  
Your Supplier's Submission Dated February 1, 1990

Dear Ms. Lynn:

This is in response to (1) your 1/16/90 submission of additional labeling as requested, (2) your 1/25/90 submission of Material Safety Data Sheet and Technical Process Bulletin for [REDACTED] and of amended Confidential Statement of Formula, and (3) your supplier's (Henkel Corporation's) 2/1/90 submission (on your behalf) of chemical composition of [REDACTED]

The amendment submissions referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, are acceptable subject to the numbered comments below. A stamped copy of each item of labeling is enclosed for your records. Five copies of each finished item of labeling must be submitted before the product is released for shipment.

(1) On the applicator-tool Instruction Sheet, add a statement requiring 10 minutes contact time for disinfection.

CONCURRENCES							
SYMBOL							
SURNAME							
DATE							

(2) Make the following revisions to the primary label (the label on the carton containing the bottle):

- (a) Under the heading "Directions for Use," add a referral statement such as, "See SANI-QWIK Bowl Cleaning System Instruction Sheet for directions for use."
- (b) In the Statement of Practical Treatment, delete the words, "milk, egg whites, or if these are not available."
- (c) In the Storage and Disposal section, include the statement, "Do not contaminate water, food, or feed by storage or disposal."
- (d) On the primary label, the word "POISON" must be in red.

(3) On the small adhesive applicator-tool label that begins with, "CAUTION: CONTAINS CORROSIVE TOILET BOWL CLEANER," make the following revisions:

- (a) The word "CAUTION" at the top must be changed to "DANGER." Note that this applicator-tool label is acceptable only if the acute toxicity Signal Word is "Danger" for every product in the Sani-Qwik® Bowl Cleaning System.
- (b) Delete the following from the Statement of Practical Treatment: "milk or raw egg whites or take a teaspoon or more of milk of magnesia. If these are not available."

The submitted Material Safety Data Sheet and chemical identity are acceptable.

Your new company name (Scott Paper Company dba Sani-Fresh International) has been noted in the registration file for the subject product.

To use your old address of "Sani-Fresh International, Inc., San Antonio, TX 78218" on some of your labeling, until current supplies having that address are depleted, is permissible.

-- 3 --

If you have any questions, you may call Wallace Powell at  
(703) 557-6938.

Sincerely,

Walter C. Francis  
Acting Product Manager (32)  
Antimicrobial Program Branch

**PRECAUTIONARY STATEMENTS**  
HAZARD TO HUMANS AND DOMESTIC ANIMALS

**DANGER**

**CORROSIVE** Keep Out of Reach of Children  
May be fatal if swallowed and causes severe burns. Produces chemical burns on skin. Causes severe eye irritation and causes eye and skin damage. Wear eye protection and rubber gloves when handling. Wash hands thoroughly with water after handling. Use on acid resistant surfaces.

**CHEMICAL HAZARD** Contains hydrochloric acid  
is not for use on food.

**STATEMENT OF PRACTICAL TREATMENT**  
In case of contact with eyes, flush with water for 15 minutes. If swallowed, immediately drink large quantities of water. If inhaled, get fresh air and rest. If large quantities inhaled, get medical attention. Large quantities inhaled may cause respiratory depression. If on skin, wash with water. If on clothing, remove clothing. If on food, discard food. Wash hands thoroughly with water.

**NOTE TO PHYSICIAN**  
Possibly mucosal damage may occur after use. If gastric lavage is required, use a neutralizing agent. Respiratory depression and convulsions may be present.

**STORAGE AND DISPOSAL**  
Do not reuse empty container. Wash container in plastic bag and discard in regular trash.

**DIRECTIONS FOR USE**  
**FOR INSTITUTIONAL INDUSTRIAL USE ONLY**  
**BY QUALIFIED SERVICE PERSONS**

Use a mixture of equal parts of Sani-Qwik and water. Apply to surface and scrub. Rinse thoroughly with water. For heavy deposits, use undiluted Sani-Qwik. For large areas, use diluted Sani-Qwik. For stainless steel, use diluted Sani-Qwik. For aluminum, use diluted Sani-Qwik. For copper, use diluted Sani-Qwik. For brass, use diluted Sani-Qwik. For silver, use diluted Sani-Qwik. For chrome, use diluted Sani-Qwik. For nickel, use diluted Sani-Qwik. For steel, use diluted Sani-Qwik. For iron, use diluted Sani-Qwik. For cast iron, use diluted Sani-Qwik. For cast steel, use diluted Sani-Qwik. For cast aluminum, use diluted Sani-Qwik. For cast brass, use diluted Sani-Qwik. For cast copper, use diluted Sani-Qwik. For cast nickel, use diluted Sani-Qwik. For cast iron, use diluted Sani-Qwik. For cast steel, use diluted Sani-Qwik. For cast aluminum, use diluted Sani-Qwik. For cast brass, use diluted Sani-Qwik. For cast copper, use diluted Sani-Qwik. For cast nickel, use diluted Sani-Qwik.

Pon a el seguro del gatillo en la posición  
"LOCK" (cerrado)

Lift up on locking collar (May be tight)  
Mueva el cuello hacia arriba (Puede estar  
apretado)

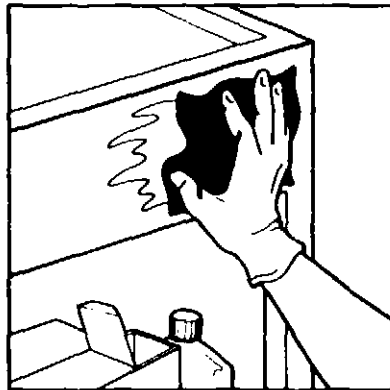

Lift off worn head. (Be sure to always  
use gloves)

# MOUNTING THE STORAGE CADDY

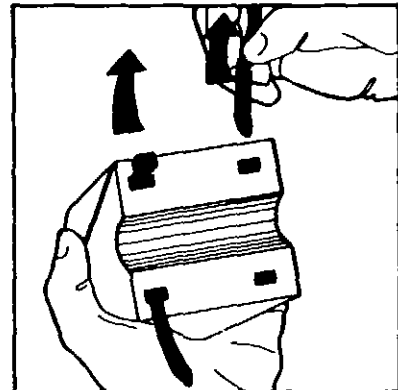

## WALL OR FLAT SURFACE

## PARA MONTAR EL SUJETADOR

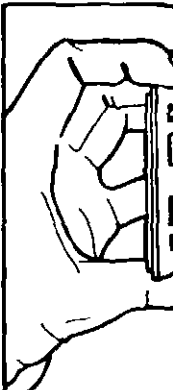

## EN UNA PARED O SUPERFICIE PLANA

Clean surface using towelette supplied  
Limpie la superficie con el paño de limpieza  
proporcionado

Pull straps out of holes in caddy and discard  
Deslice las cintas de los agujeros del  
sujetador

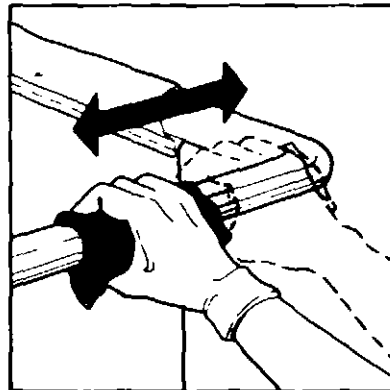

Peel thin tape protecting  
caddy backing plate.  
Despegue la cinta protectora del  
fondo del sujetador

# MOUNTING THE STORAGE CADDY

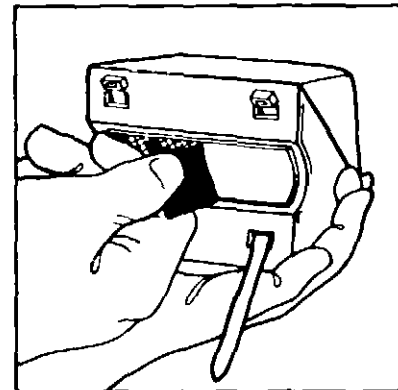

## TUBULAR CLEANING CART

## PARA MONTAR EL SUJETADOR

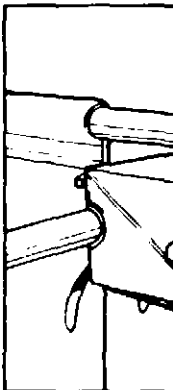

## EN UN TUBO DEL CARRO DE LIMPIEZA

Clean surface using towelette supplied  
Limpie la superficie con el paño de limpieza  
proporcionado

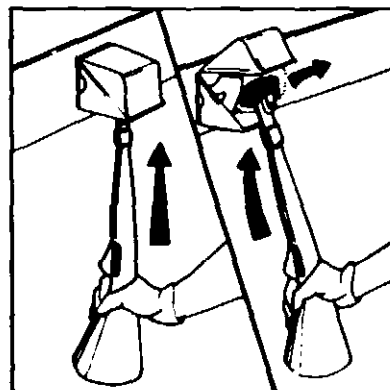

Remove tape protective cover  
Despegue la cinta protectora del  
fondo del sujetador

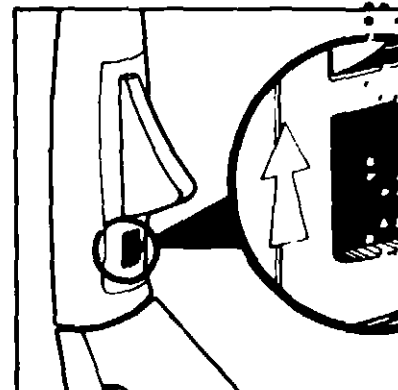

Press into position and  
lock

# USING THE CADDY

## PARA USAR EL SUJETADOR

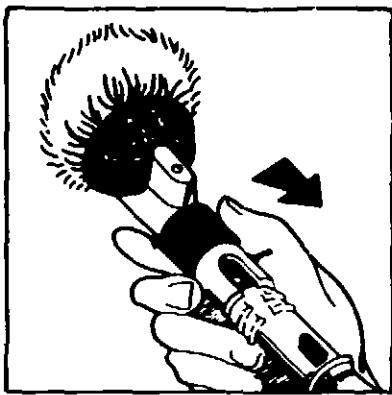

To remove from caddy lift up and out

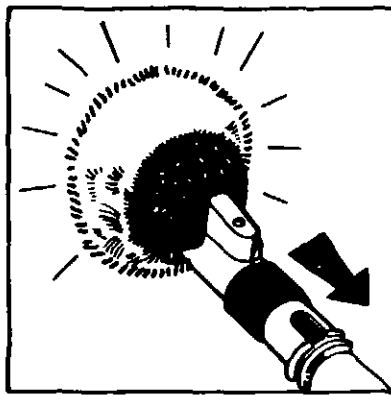

Slide trigger lock to "LOCK" position before  
storing

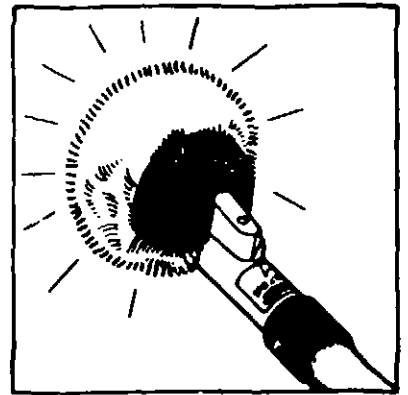

Place in caddy. To  
remove, lift up and out

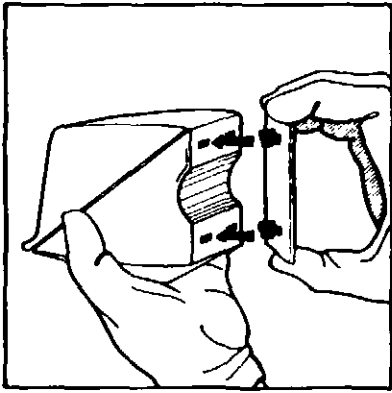

Install new head by aligning slot on head with tab on tool  
Instale la cabeza nueva alineando la ranura de la cabeza con la parte saliente del aparato

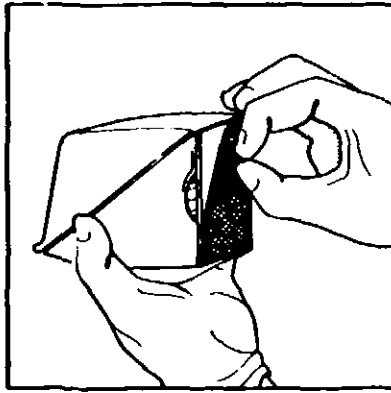

Slide collar down until it clicks  
Mueva el cuello hacia abajo hasta que oída un click

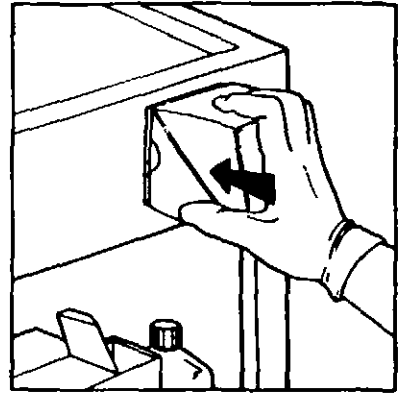

Will look like this when installed properly  
Así debe verse cuando se instala correctamente

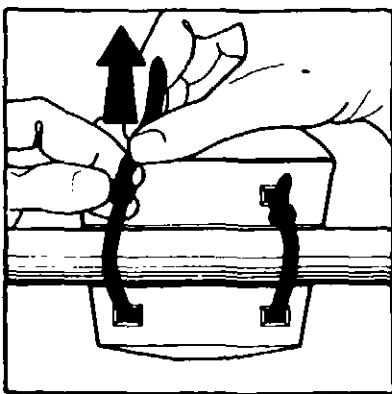

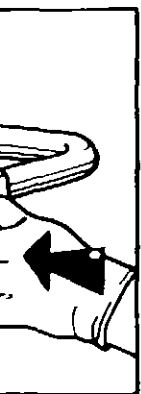

Snap backing plate onto back of caddy  
Añade la placa trasera en la parte posterior del caddy

Peel off thick tape cover  
Retire el tape grueso de la parte superior

Press onto surface and hold for 30 seconds  
Oprima contra la superficie y deténgase por 30 segundos

Tighten straps securely  
Ajuste las cintas firmemente

**WARNING:**

Do not squeeze trigger when holding tool up right. See other cautions on labels, tool and on refill capsule.

**ATENCIÓN:**

No apriete el gatillo cuando tenga el aparato con la cabeza hacia arriba.  
Lea las precauciones que se indican en las etiquetas del aparato y de la cápsula de repuesto.

pull down
