

Dust on surfaces behind sinks, refrigerators, stoves and cabinets that are not accessible to animals, pets, and children. Also apply to cracks and crevices where insect infestation may be found. Any powder visible after application is complete should be carefully brushed into cracks and crevices or else removed. No generalized dusting should be done in household areas accessible to children and pets. Repeat as needed to maintain adequate control.

May be fatal if inhaled or swallowed. Do not breathe dust. Do not contaminate food and foodstuffs. Do not use in edible products areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

CONTAINER DISPOSAL: Do not reuse empty container. Destroy it by perforating or crushing. Crush and bury at least 18" deep in a safe place away from water supplies.

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling contrary to label instructions.
