DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For use in and around buried pad mounted electric power transformers and cable television and telephone pedestals. Open plastic bag and pour entire contents (3 oz.) directly into end/or around buried cable closure. One bag (3 oz.) will treat buried closures size 12" x 12" (1 sq.ft.).

STORAGE: Store in a clean, dry place. Temperature range, 0 to 200 F. Storage method must protect plastic bag from becoming ruptured while in place and transporting. Do not mix with other substances. If contents are spilled, another plastic container may be used to temporarily hold. Apply contents or dispose per this label. **DISPOSAL:** Do not reuse empty bag. Wrap bag in newspaper and discard in trash.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Harmful if swallowed. Avoid breathing dust. Avoid contact with eyes, skin or clothing. Wash thoroughly after handling and before eating or smoking. Avoid contamination of feed and foodstuffs.

Statement of Practical Treatment

If Swallowed: Call a physician or poison control center immediately. Drink one or two glasses of water and induce vomiting by touching the back of the throat with finger. Repeat until vomit fluid is clear. Do not induce vomiting or give anything by mouth to an unconscious person. **If Inhaled:** Remove person to fresh air. Apply artificial respiration if indicated. **If On Skin:** Remove contaminated clothing and wash affected areas with soap and water. **If In Eyes:** Flush with plenty of water. Call a physician immediately. **NOTE TO PHYSICIAN:** Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. Atrazine, only by injection, is an antidote.

Environmental Hazards

This product is toxic to fish, birds and other wildlife. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

EPA Reg. No. 13283-3 EPA Est. 13283-AL-1
