**PRECAUTIONARY STATEMENTS
Hazards to Humans & Domestic Animals**

WARNING: Harmful if swallowed. For external use only. Causes eye irritation. Do not get in eyes or on mouth. Avoid breathing spray mist. Do not spray in enclosed areas.

Do not apply to excessively sunburned skin or over cuts, wounds or irritated skin. Do not expose treated skin or clothing to fire, sparks or flame until liquid has evaporated.

Statement of Practical Treatment

If Swallowed: Call a physician or poison control center immediately. **If On Skin:** May cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your physician or local poison control center. **If In Eyes:** Flush with plenty of water. Get medical attention if irritation persists. **If Inhaled:** Remove person to fresh air. Apply artificial respiration if indicated. Contact a physician if warranted.

Physical or Chemical Hazards

Extremely Flammable. Contents under pressure. Do not use or store near fire, sparks or heated surfaces. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

Will not damage cotton, denim, wool, nylon or Orlon. Do not use on or near synthetic fabrics such as Rayon, Spandex or Dynel, leather, plastic watch crystals and painted or varnished surfaces. Do not apply on skin under clothing already sprayed. Wash treated skin and after returning indoors double check yourself, other family members and pets for ticks.

**REPELS GNATS, MOSQUITOES,
BITING FLIES, CHIGGERS,
TICKS, FLYING INSECTS,
PLUS FLEAS ON SKIN SURFACES**

ACTIVE INGREDIENTS:

N,N-diethyl-m-toluamid	27.32%
Other isomers	1.41%
N-Octyl bicycloheptene dicarboximide	7.67%
D-n-propyl isocinchomeronate	1.92%
INERT INGREDIENTS	61.65%
Total	100.00%

Keep Out of Reach of Children

WARNING

See back panel for additional precautionary statements.

Product No. 4501

Net. Wt. 6 oz.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Read Directions and
Precautionary Statements Before**

Using This Product.

STORAGE: Store in a cool area away from heat or open flame. **DISPOSAL:** Replace cap, wrap container and put in trash collection. Do not puncture or incinerate.

Hold unit 8-12 inches from skin or clothing while spraying. Use a slow sweeping motion, applying just enough repellent to cover exposed skin and/or clothing. Avoid overexposure. Frequent reapplication and saturation is unnecessary for effectiveness. Do not spray directly on face. Apply on face by first spraying small amounts in palm of hand and spreading on face or neck. Do not apply to eyes and mouth nor to the hands of young children. After returning indoors, wash treated skin with soap and water.

FOR CLOTHING: For extra protection from crawling ticks, chiggers and fleas, use extra spray along all openings of clothing, such as neck band, waist band, pant and sleeve cuffs, sock tops and other areas where these insect may crawl under clothing. For added protection from ticks, wear shoes or boots, tuck pants into socks. Wear long sleeved shirt tucked into pants. Inspect often for ticks. Do not use under clothing. Wash treated clothing.
