Subject: Rainbow Fire Ant Killer
EPA File No. 13283-14
Submission dated 1/27/01

Dear Ms Davis:

The revised product labeling referred to above, submitted in connection with the registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable provided you make the labeling change indicated below before you release the product for shipment bearing the amended labeling:

- 1) On page 1, you must revise the statement "Dursban is a Registered Trademark of Aventis Environmental Science" to: "Dursban is a Registered Trademark of Dow AgroSciences LLC."
- 2) The Environmental Hazards statement for chlorpyrifos is incorrect and must be replaced with the following:

"This pesticide is toxic to birds, fish, and aquatic invertebrates. Birds feeding in treated areas may be killed. Clean up spilled product to reduce exposure to wildlife. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater."

Submit one copy of the final printed label before releasing the product for shipment. A stamped copy of the label is enclosed for your records. If you have questions, please contact Dennis McNeilly at (703) 308-6742 or electronically at mneilly.dennis@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Dennis McNeilly", written over a horizontal line.

Dennis McNeilly, Chemist
Insecticide-Rodenticide Branch
Registration Division (7505C)

precautionary statements.**

EPA Reg. No. 13283-14

EPA Est. 13283-AL-1

Net Contents: 100 – 4 oz. bags

{or}

[Net Contents: 12 – 2.1 lbs. shaker containers]

{or}

[Net Contents: 5 – 6 lbs. shaker containers]

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product is for sale to, use and storage only by utility industry and industrial service personnel.

For Use In and Around Telecommunications, Power, Utilities
and Railroad Systems Equipment

For use in and around buried cables, cable television pedestals, cables, pad-mounted electric power transformers, telephone cables, underground vaults, telecommunications equipment (boxes, closures, interfaces, pedestals, protectors and terminals), power and utilities equipment (camera housings, control panels, emergency light systems, fire alarm systems and lights/alarms), and railroad systems equipment (breaker boxes, railroad signals, traffic control boxes and signals, and transformer pads). Do not open contents until ready for use.

{For product packaged in 4 oz. Mylar bags:}

Do not place product where it will interfere with moving parts of equipment. Due to various equipment sizes, the amount of product may change, however, 4 oz. per 1 sq. ft. is recommended. Use in interior and exterior areas at points of entry. Open Mylar plastic bag and pour entire contents (4 oz.) directly into and around equipment, buried closure or hole. Lock equipment or closure or set pole immediately to prevent access. On bag will treat up to 12" x 12" (1 sq. ft.).

{For product packaged in 2.1 lbs. shaker containers:}

Open the applicator dispenser lid two (2) notches and shake (broadcast left to right) the insecticide onto the ground, covering the area of the pad location, plus a two foot perimeter around the outside of the pad location. This container will cover up to a 33-sq. ft. area. Plastic barrier required for poured-in place pads. Prior to pouring concrete, cover insecticide-treated surface with plastic barrier.

{For product packaged in 6 lbs. shaker containers:}

Open the applicator dispenser lid two (2) notches and shake (broadcast left to right) the insecticide onto the ground, covering the area of the pad location, plus a two foot perimeter around the outside of the pad location. This container will cover up to a 100-sq. ft. area (an area 10' x 10'). Container holds the equivalent of 24, 4 oz. bags of Rainbow Fire Ant Killer. Plastic barrier required for poured-in place pads. Prior to pouring concrete, cover insecticide-treated surface with plastic barrier.

Storage: Store in a clean, dry place. Protect container from rupture during storage and transport. If contents are spilled, sweep or scoop up material and place in another clean, dry container for reuse or disposal in accordance with this label.

Disposal: Do not reuse empty container; securely wrap and discard in trash.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Harmful if swallowed. Avoid breathing dust. Avoid contact with eyes, skin or clothing. Wash thoroughly after handling and before eating or smoking. Avoid contamination of feed and foodstuffs.

First Aid

If Swallowed: Call a physician or poison control center immediately. **If Inhaled:** Remove person to fresh air. Apply artificial respiration if indicated. **If on Skin or Clothing:** Immediately remove contaminated clothing. Wash affected areas with soap and water. Contact a physician if irritation persists. Wash clothing before reuse. **Note to Physician:** Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. Atropine only by injection is antidotal.

Environmental Hazards

This product is toxic to fish and wildlife. Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark.

NOTICE: Seller makes no warranty, express or implied, concerning the use of this product other than indicated on this label. Buyer assumes all risks of use and/or handling of this material when such use and/or handling is contrary to label instructions.
