### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product is for sale to and use by utility industry personnel and commercial or industrial service personnel only.

For use in and around buried cables, telephone cables, cable television pedestals, underground vaults and pad-mounted electric power transformers and air conditioning units. Do not open contents until ready for use.

[For Product Packaged in 4 oz. Mylar Plastic Bags:]

Open Mylar plastic bag and pour entire contents (4 oz.) directly into and around buried closure or hole. Lock closure or set pole immediately to prevent access. One bag will treat buried closures up to size 12" x 12" (1 sq. ft.).

[For Product Packaged in 6.25 pound Dispenser:]

Open the applicator dispenser lid two (2) notches and shake (broadcast left to right) the insecticide onto the ground, covering the area of the pad location, plus a two foot perimeter around the outside of the pad location. This container will cover up to a 100 sq. ft. area (an area 10' x 10'). Container holds the equivalent of 25, 4 oz. bags of Rainbow KO Fire Ant Killer. Plastic barrier required for poured-in place pads. Prior to pouring concrete, cover insecticide-treated surface with plastic barrier.

**STORAGE:** Store in a clean, dry place. Protect plastic bag [dispenser] from rupture during storage and transport. If contents are spilled, sweep or scoop up material and place in another clean, dry container for reuse or disposal in accordance with this label. **DISPOSAL:** Do not reuse empty bag [dispenser]; wrap in newspaper and discard in trash.

### PRECAUTIONARY STATEMENTS

#### Hazards to Humans & Domestic Animals

**WARNING:** Causes substantial but temporary eye injury. Wear goggles or face shield. Do not get in eyes, on skin or on clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

#### Statement of Practical Treatment

**If in Eyes:** Hold eyelids open and flush with a steady, gentle stream of water for 15 minutes. Get medical attention. **If on Skin:** Wash with plenty of soap and water. Get medical attention. **If Swallowed:** Drink promptly a large quantity of milk, egg white, gelatin solution or, if these are not available, large quantities of water. Avoid alcohol. **NOTE TO PHYSICIAN:** Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. Atropine only by injection is antidotal.

#### Environmental Hazards

This product is toxic to fish and wildlife.

**NOTICE OF WARRANTY:** Seller warrants this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on such label only when used in accordance with the directions under normal use conditions. In no case shall Rainbow be liable for consequential or special damages resulting from the use or handling of this product. All such risks shall be assumed by the buyer. Rainbow makes no warranties of MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE nor any other expressed nor implied warranty except as stated above.
