Subject: Label Amendment
Rainbow Weed Killer 4037
EPA Reg. No. 13283-18
Application Dated: September 16, 2011

Dear Ms. Davis,

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable.

A stamped copy of your label is enclosed for your records. This label supersedes all previously accepted labels. You must submit one (1) copy of the final printed label before you release the product for shipment. Products shipped after eighteen (18) months from the date of this letter or the next printing of the label, whichever occurs first, must bear the new revised label. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA §6(e). Your release for shipment of the product constitutes acceptance of these conditions.

If you have any questions, please call me directly at (703) 306-0415 or Emily Hartman of my staff at (703) 347-0189.

Sincerely,

A handwritten signature in black ink, appearing to read "Kable Bo Davis", enclosed in a large, loopy oval.

Personal Protective Equipment (PPE)

Some materials that are chemical-resistant to this product are listed below. If you want more options, follow the instructions for category A on the EPA chemical-resistance category selection chart. Loaders, applicators and other handlers must wear: Long-sleeved shirt and long pants; shoes plus socks; and chemical-resistant gloves made of any waterproof material such as polyethylene or polyvinylchloride. In addition, applicators using tractor drawn spreaders and all loaders must wear a NIOSH-approved particulate filtering respirator equipped with N, R, or P class filter media. The respirator should have a NIOSH approval number prefix TC-84A. It is recommended that you require the respirator wearer to be fit tested, and trained in the use, maintenance, and limitations of the respirator. Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry.

User Safety Recommendations

Users should: thoroughly wash hands with soap and water after handling this product and before eating, drinking, chewing gum, using tobacco or using the toilet; immediately remove clothing/PPE if pesticide gets inside, then thoroughly wash and put on clean clothing; immediately remove PPE after handling this product. Wash the outside of gloves before removing. As soon as possible, thoroughly wash and change into clean clothing.

Environmental Hazards

For terrestrial uses: Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters or rinsate. In case of spills, collect, cover or incorporate granules/pellets spilled on the soil surfaces to prevent contamination of water. Apply this product only as specified on this label.

Ground Water Advisory

This product is known to leach through soil into ground water under certain conditions as a result of registered (rangeland and non-crop) uses. Use of this product in areas where soils have rapid to very rapid permeability, particularly where the water table is shallow, may result in ground water contamination.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

NON-CROP WEED CONTROL

Intended only for Industrial Use around Buried Cable Closures, Telephone Booths, Cross-Connect Boxes, Transformer Pads and Fire Plugs.

For vegetation control by broadcast (ground equipment) and banded applications.

Precautions and Restrictions

Do not apply by air. Apply this product only by ground application. Do not apply on or near desirable woody or herbaceous plants or on areas where their roots may extend because of possible injury to such plants. Do not use on croplands or any land to be used for subsequent cropping. Do not contaminate irrigation ditches or water used for domestic purposes. Except for protected applicator, do not allow others to enter treated areas until the dusts have settled. Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application. Keep animals off treated areas. Application with a spoon or pump-feed backpack spreader or a gravity-feed backpack spreader is prohibited. Do not apply this product in a way that will contact any person or pet, either directly or through drift. Keep people and pets out of the area during application.

This product is a nonselective herbicide for controlling a wide range of annual and perennial weeds and grasses. Use only for general weed control on non-cropland areas around buried cable closures, telephone booths, cross-connect boxes, transformer pads and fireplugs. 3.67 oz. to 7.34 oz. applications per 100 square feet of this product, usually

Use of this product in certain portions of California, Oregon, and Washington is subject to the January 22, 2004 Order of injunctive relief in Washington Toxics Coalition, et. al. v EP, C01-0132C, (W.D. WA). For further information, please refer to <http://www.epa.gov/espp/wtc/>.

{For rigid non-refillable containers for non-dilutable product}

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: To maximize the shelf life of this product, store in a dry area where the bag [container] is not likely to come in contact with moisture. Do not store near fertilizers, seeds, insecticides or fungicides. **Pesticide Disposal:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. **Container Disposal:** Non-refillable container, do not reuse or refill this container. Completely empty container by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities.

{For non-refillable bags for granular or dry formulations}

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.
