UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
WASHINGTON, D C 20460-0001

OFFICE OF CHEMICAL SAFETY
AND POLLUTION PREVENTION

September 18, 2012

Mr Dean Moser
RegWest Company, LLC
8203 West 20th St , Suite A
Greeley, CO 80634

Subject Amended Reregistration Label
Product Name Rainbow® Point Three Wasp & Ant Spray
EPA Registration Number 13283-20
EPA Decision Number 424853

Dear Mr Moser,

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the reregistration of the above referenced product in connection with the pyrethrin and piperonyl butoxide RED(s), and has concluded that your submission is acceptable

NOTE This product is **not** being reregistered under sections 3(c)5 and 4(g) of FIFRA at this time

Please be reminded that 40 CFR Part 156 140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on non-refillable containers The code may appear either on the label or durably marked on the container itself, and can be added by non-notification per PRN 98-10

Please note that the record for this product currently contains the Confidential Statements of Formulation (CSFs) listed below Any previously dated CSFs are superseded

- Basic CSF, dated October 7, 2010
- Alternate CSF A, dated October 7, 2010
- Alternate CSF B, dated October 7, 2010
- Alternate CSF C, dated October 7, 2010

- Alternate CSF D, dated October 7, 2010

A copy of your label stamped "Accepted" is enclosed along with copies of the acute toxicity and product chemistry reviews completed for the subject product. Products shipped after 12 months from the date of this amendment or the next printing of the label whichever occurs first, must bear the new revised label. Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec 6(e).

If you have any questions about this letter, please contact Richard Gebken at (703) 305 6701 or via e-mail at gebken_richard@epa.gov or Jennifer Gaines at (703) 305-5967 or via e-mail at gaines_jennifer@epa.gov

Sincerely,

Richard J Gebken
Product Manager (10)
Insecticide Branch
Registration Division (7504P)

*Enclosures Label stamped "Accepted," dated September 18, 2012

First Aid

If on Skin or Clothing	<ul style="list-style-type: none"> • Take off contaminated clothing • Immediately rinse skin with plenty of water for 15-20 minutes • Call a poison control center or doctor for treatment advice
If in Eyes	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes • Remove contact lenses if present after the first 5 minutes then continue rinsing eye • Call a poison control center or doctor for treatment advice
If Inhaled	<ul style="list-style-type: none"> • Move person to fresh air • If person is not breathing call 911 or an ambulance then give artificial respiration preferably mouth to mouth if possible • Call a poison control center or doctor for further treatment advice
Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also call 1-800-255-3924 for emergency medical treatment advice.	
Note to Physician Contains petroleum distillate – vomiting may cause aspiration pneumonia	

{Note: The first aid statements grid format will be used if market label space permits otherwise a paragraph format will be used}

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION Harmful if absorbed through skin Causes moderate eye irritation Avoid contact with skin eyes or clothing Thoroughly wash with soap and water after handling and before eating drinking chewing gum using tobacco or using the toilet

Personal Protective Equipment (PPE)

Applicators and other handlers must wear long sleeved shirt long pants shoes socks and chemical resistant gloves Some materials that are chemical resistant to this product are barrier laminate polyethylene and polyvinyl chloride ≥ 14 mils For more options follow the instructions for category C on the chemical resistance category selection chart

User Safety Recommendations

Users should thoroughly wash hands with soap and water after handling this product and before eating drinking chewing gum using tobacco or using the toilet immediately remove clothing/PPE if pesticide gets inside then thoroughly wash and put on clean clothing immediately remove PPE after handling this product Wash the outside of gloves before removing As soon as possible thoroughly wash and change into clean clothing Follow manufacturer's instructions for cleaning/maintaining PPE If no such instructions for washables exist use detergent and hot water Keep and wash PPE separately from other laundry Discard clothing and other absorbent materials that have been drenched or heavily contaminated with this product's concentrate Do not reuse them

Physical or Chemical Hazards

Flammable Contents under pressure Do not puncture or incinerate container Keep away from heat sparks and open flame Exposure to temperatures above 130°F may cause bursting **Contact with roof shingles may cause discoloration or other unwanted effects**

Environmental Hazards

This pesticide is toxic to fish and aquatic invertebrates Do not apply directly to water to areas where surface water is present or to intertidal areas below the mean water mark Do not apply when weather conditions favor drift from treated areas Drift and runoff from treated areas may be hazardous to aquatic organisms in neighboring areas Do not contaminate water when disposing of equipment washwaters

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling

Shake well before use

Product Precautions and Restrictions

For Indoor Use

Do not enter or allow others to enter until sprays have dried Do not apply this product in a way that will contact workers or other persons either directly or through drift Only protected handlers may be in the area during application Do Not contaminate feed and foodstuffs Do not use in edible product areas of food processing plants restaurants or other areas where food is commercially processed or prepared Do not use in serving areas while food is exposed Do not apply this product in a way that will contact adults children or pets either directly or through drift

For Use Around or Near Floor Drains

Application is prohibited directly into sewers drains or to any area like a gutter where drainage to sewers storm drains and water bodies of aquatic habitat can occur Do not allow the product to enter any drain during or after application

For Outdoor Use

Outdoor uses are limited to only spot treatments. Broadcast applications are prohibited. Do not water the treated area to the point of run off. Do not make applications during rain.

Before spraying insects or nests give the can a short burst away from the nest to ensure proper pressure

Areas for Application Specially formulated for use in and around Telephone, Power, Cable, Electronics and Utility Equipment and Industries. Also used for Homes, Motels, Hotels and Non Food Areas of Industrial, Institutional and Commercial Buildings including Stores, Manufacturing Plants, Warehouses and Hospitals (non patient areas).

For Ant & Fire Ant Mounds (1) Spray the entire perimeter of the ant mound. (2) Directly spray the mound and break up the mound with a stick. (3) Spray all active ants until no activity is seen. (4) For large mounds more than one can may be necessary. **If Ant Probe is Used** (1) Install the probe on spray can. (2) Spray the entire perimeter of the ant mound. (3) Using the ant probe break up the mound exposing active ants. (4) Holding the probe about 2 inches from the active ants spray surface ants. (5) Begin spraying and penetrate mound while pushing probe downward as far as possible. Continue spraying while removing probe. (6) Repeat as required by mound size.

For Bee & Yellow Jacket Control (1) Spray in a sweeping motion on external flying insects around the opening of the nest. (2) Move forward to the nest opening and spray directly into the nest hole. (3) When possible apply in early morning or at dusk when most of the insects have returned to the nest and are less active. (4) For large nests more than one can may be necessary.

For Foraging Ant Control Spray directly on ants. Spray ant hills and runways. Repeat as necessary.

For Hornet & Wasp Control (1) Spray from an upwind position. (2) Hold can in an upright position with nozzle end pointed towards nest while standing 6 to 12 feet away. (3) Begin spraying nest and as many flying insects as possible. (4) Thoroughly spray nest. (5) When possible apply in early morning or at dusk when most of the insects have returned to the nest and are less active.

For Outdoor Clover Mites, Crickets, Earwigs, Millipede, Moths, Scorpions, Silverfish, Spiders (including Black Widow and Brown Recluse) Control Thoroughly spray infested areas including outside surfaces of screen frames, doors, window frames, foundations, patios or other places where insects may enter or congregate.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage Store in a cool, dry area (inaccessible to children) away from heat or open flame. **Pesticide Disposal** Wastes resulting from the use of this product may be disposed of onsite or at an approved waste disposal facility. **Container Disposal** Do Not Puncture or Incinerate! This container may be recycled in a few but growing number of communities where (steel) aerosol can recycling is available. Before offering for recycling empty the can by using the product according to the label. If recycling is not available, replace cap and put in trash.

{Per PR Notice 2007 4 the batch code/lot number will appear on the label or container }

Notice of Warranty Seller warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on such label only when used in accordance with the directions under normal use conditions. To the extent consistent with applicable law, in no case shall Rainbow be liable for consequential or special damages resulting from the use or handling of this product, all such risks shall be assumed by the buyer. Rainbow makes no warranties of merchantability or fitness for a particular purpose or any other express or implied warranty except as stated above.
