U.S. ENVIRONMENTAL PROTECTION AGENCY  
Office of Pesticide Programs  
Registration Division (H7505C)  
401 "M" St., S.W.  
Washington, D.C. 20460

EPA Reg. Number:  
13283-23

Date of Issuance:  
MAR 10 1998

NOTICE OF PESTICIDE:

Registration  
 Reregistration

Term of Issuance: Conditional

Name of Pesticide Product:  
Rainbow DM Fire Ant Killer

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):  
Rainbow Technology Corporation  
c/o RegWest Company  
PO Box 2220  
Greeley, CO 80632-2220

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
  - A. Revise the EPA Registration Number to read, "EPA Reg. No. 13283-23".
  - B. Under Environmental Hazards the statement should read: "This product is extremely toxic to fish and aquatic invertebrates."
  - C. Add the heading "STORAGE AND DISPOSAL" and add/revise as follows:  
 "PESTICIDE STORAGE: Store in a clean, dry place....."  
 "PESTICIDE DISPOSAL: Do not contaminate water, food, or feed by storage and disposal. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility."  
 "CONTAINER DISPOSAL: Do not reuse empty container....."

Signature of Approving Official:

Date:

2/4

- D. Revise the statement to read, "This container will cover up to a 24 sq. ft. area (an area of approximately 4' x 6')."
  
- 3. The efficacy data demonstrate 100% control of fire ants with an application rate of 0.32 oz./square foot. However the label rate is 4 oz./ square foot which is 13 times greater than the efficacy study rate. Is the higher rate of application related to the residual action of the product? The product is used primarily in enclosed spaces, not subject to weathering. You must justify this discrepancy and higher rate of application with the submission of efficacy data or the label rate must be reduced ~~(immediately)~~ to reflect the lower rate. If you intend to generate efficacy data you will have six months from the date of this notice to submit it. J
  
- 4. Product chemistry data (MRID's 443673-01, -02) has been reviewed and is acceptable. Acute toxicity data (MRID's 443673-03 thru -08) have been reviewed and are acceptable. The toxicity profile for your product is category IV for each study and a "non-sensitizer" for dermal sensitization.
  
- 5. Submit two copies of the revised final printed label for the record. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product is for sale to, use and storage only by utility and commercial or industrial service personnel.

For use In and Around Telecommunications, Power, Utilities and Railroad Systems Equipment

[Including (but not limited to)]

[For use] [I]n and around buried cables, cable television pedestals, cables, pad mounted air conditioning units, pad-mounted electric power transformers, telephone cables, underground vaults, telecommunications equipment (boxes, closures, interfaces, pedestals, protectors and terminals), power and utilities equipment (camera housings, control panels, emergency light systems, fire alarm systems and lights/alarms), and railroad systems equipment (breaker boxes, railroad signals, traffic control boxes and signals, and transformer pads). Do not open contents until ready for use.

[For product packaged in 4 oz. Mylar bags:]

Do not place product where it will interfere with moving parts of equipment. Due to various equipment sizes, the amount of product may change, however, 4 oz. per 1 sq. ft. is recommended. Use in interior and exterior areas at points of entry. Open Mylar plastic bag and pour entire contents (4 oz.) directly into and around equipment, buried closure or hole. Lock closure or set pole immediately to prevent access. One bag will treat up to 12" x 12" (1 sq. ft.).

[For product packaged in 96 oz. containers:]

Open the applicator dispenser lid two (2) notches and shake (broadcast left to right) the insecticide onto the ground, covering the area of the pad location, plus a two foot perimeter around the outside of the pad location. This container will cover up to a 24 sq. ft. area (an area approximately 5' x 5'). Container holds the equivalent of 24, 4 oz. bags of Rainbow DM Fire Ant Killer. Plastic barrier required for poured-in place pads. Prior to pouring concrete, cover insecticide-treated surface with plastic barrier.

**STORAGE:** Store in a clean, dry place. Protect container from rupture during storage and transport. If contents are spilled, sweep or scoop up material and place in another clean, dry container for reuse or disposal in accordance with this label.

**DISPOSAL:** Do not reuse empty container. Securely wrap and discard in trash.

**PRECAUTIONARY STATEMENTS**

**CAUTION**

**Environmental Hazards**

This product is toxic to fish. Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark.

**NOTICE OF WARRANTY:** Seller warrants this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on such label only when used in accordance with the directions under normal use conditions. In no case shall *Rainbow* be liable for consequential or special damages resulting from the use or handling of this product. All risks shall be assumed by the Buyer. *Rainbow* makes no warranties of MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE nor any other express or implied warranty except as stated above.
