DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product is for sale to, use and storage only by utility and commercial or industrial service personnel.

For use In and Around Telecommunications, Power, Utilities and Railroad Systems Equipment.

[Including (but not limited to)]

[For] Use in and around buried cables, cable television pedestals, cables, pad mounted air conditioning units, pad-mounted electric power transformers, telephone cables, underground vaults, telecommunications equipment (boxes, closures, interfaces, pedestals, protectors and terminals), power and utilities equipment (camera housings, control panels, emergency light systems, fire alarm systems and lights/alarms), and railroad systems equipment (breaker boxes, railroad signals, traffic control boxes and signals, and transformer pads). Do not open contents until ready for use.

{For product packaged in 4 oz. Mylar bags:}

Do not place product where it will interfere with moving parts of equipment. Due to various equipment sizes, the amount of product may change, however, 4 oz. per 1 sq. ft. is recommended. Use in interior and exterior areas at points of entry. Open Mylar plastic bag and pour entire contents (4 oz.) directly into and around equipment, buried closure or hole. Lock closure or set pole immediately to prevent access. One bag will treat up to 12" x 12" (1 sq. ft.).

3/4

{For product packaged in 6 lbs. containers:}

Open the applicator dispenser lid two (2) notches and shake (broadcast left to right) the insecticide onto the ground, covering the area of the pad location, plus a two foot perimeter around the outside of the pad location. This container will cover up to a 24 sq. ft. area (an area approximately 4' x 6'). Container holds the equivalent of 24, 4 oz. bags of Rainbow DM Fire Ant Killer. Plastic barrier required for poured-in place pads. Prior to pouring concrete, cover insecticide-treated surface with plastic barrier.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store in a clean, dry place. Protect container from rupture during storage and transport. If contents are spilled, sweep or scoop up material and place in another clean, dry container for reuse or disposal in accordance with this label. **Pesticide Disposal:** **Do not contaminate water, food or feed by storage and disposal.**

Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: **Completely empty bag [dispenser], then dispose of bag [dispenser] in a sanitary landfill or by incineration or, if allowed by state and local authorities, by burning. If burned, stay out of smoke. Do not reuse empty container. Securely wrap and discard in trash.**

PRECAUTIONARY STATEMENTS

CAUTION

Environmental Hazards

This product is extremely toxic to fish and aquatic invertebrates. Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark.

Notice of Warranty: Seller warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on such label only when used in accordance with the directions under normal use conditions. In no case shall Rainbow be liable for consequential or special damages resulting from the use or handling of this product. All risks shall be assumed by the Buyer. Rainbow makes no warranties of MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE or **nor** any other express or implied warranty except as stated above.

Dear Mr. LaRocca:

Subject: Rainbow Technology Corporation
Rainbow DM Fire Ant Killer
EPA Reg. No. 13283-23

On behalf of its client **Rainbow Technology Corporation**, RegWest Company is submitting the attached documents in support of a label revision for subject product. RegWest Company will act as sole agent in this endeavor.

Attached are the following:

1. Application for Pesticide: Amendment [OPP IDN 281909]
2. Agent authorization letter
3. One **Reference Label** (illustrates all label revisions)
4. Three copies of the **New Label** (draft labeling incorporating all changes)
5. Certification with Respect to Citation of Data form
6. Data Matrix (Agency Internal Use Copy)
7. Data Matrix (Public File Copy)

The purpose of this submission is to add a fire ant repellency claim to the label. The data submitted on this same date to EPA Reg. No. 13283-27 (0.125% Deltamethrin) demonstrated a lower entry rate into treated boxes, fire ant behavior suggestive of repellency.

Please contact me at (970) 353-0611 or at regwestco@aol.com if you have any questions or require any additional information.

Regards,
RegWest Company

Kim Davis, CC, APC
Consultant/Agent
