Rainbow Technology Corporation
c/o RegWest Company, Kim Davis
30856 Rocky Road,
Greeley, CO 80631-9375

Subject: Submission of amendment to revise the label in accordance with PR Notices 2001-1, 83-3, 97-6, and 2000-5.

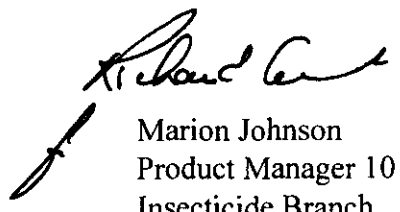

Product Name: Rainbow Flying & Crawling Bug Killer II
Registration Number: 13283-25
Date of Submission: October 18, 2002

Dear Ms. Davis,

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), is acceptable subject to the comments listed below. Five copies of the finished labeling must be submitted prior to releasing the product for shipment. If you have any questions, you may contact Richard J. Gebken, at (703) 305-6701.

1. Within the ingredient statement, change the qualifier for the other ingredients from "Contains isoparaffinic oil" to the following statement: **"Contains petroleum distillates."**

Sincerely,

Marion Johnson

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USE. USING

Before spraying insects or nests give the can a short burst away from the nest to ensure proper pressure.

Areas for Application: Specially formulated for use in and around Telephone, Power, Cable, Electronics and Utility Equipment and Industries. Also used for Homes, Motels, Hotels and Non-Food Areas of Industrial, Institutional and Commercial Buildings including Stores, Manufacturing Plants, Warehouses and Hospitals (non-patient areas).

Prohibitions: Do not use as a space spray. Avoid contamination of feed and foodstuffs. Do not use in edible product areas of food processing plants, restaurants or other areas where food is commercially processed or prepared. Do not use in serving areas while food is exposed.

For Wasp & Hornet Control: (1) Spray from an upwind position. (2) Hold can in an upright position with nozzle end pointed towards nest while standing 6 to 12 feet away. (3) Begin spraying nest and as many flying insects as possible. (4) Thoroughly spray nest thoroughly. (5) When possible, apply in early morning or at dusk when since most of the insects have returned to the nest and are less active.

For Yellow Jacket and Bee Control: (1) Spray in a sweeping motion on external insects flying around the opening of the nest. (2) Move forward to the nest opening and spray directly into the nest hole. (3) When possible, apply in early morning or at dusk when since most of the insects have returned to the nest and are less active. (4) For large nests, more than one can may be necessary.

For Ant and Fire Ant Mounds: (1) Spray the entire perimeter of the ant mound. (2) Directly spray the mound directly and break up the mound with a stick. (3) Spray all active ants until no activity is seen. (4) For large mounds, more than one can may be necessary. **If Ant Probe is Used:** (1) Install the probe on spray can. (2) Spray the entire perimeter of the ant mound. (3) Using the ant probe, break up the mound, exposing active ants. (4) Holding the probe about 2 inches

XXXXX = additions; XXXXX = deletions

from the active ants, spray surface ants. (5) Begin spraying and penetrate mound while pushing probe downward as far as possible. Continue spraying also while removing probe. (6) Repeat as required by mound size.

For Foraging Ant Control: Spray directly on ants. Spray ant hills and runways. Repeat as necessary.

For Outdoor Spiders (including Black Widow and Brown Recluse), Cockroaches, Waterbugs, Silverfish, Crickets, Flies, Mosquitoes, Moths, Fleas, Brown Dog Ticks, Earwigs, Scorpions, Clover Mites and Millipede Control: Thoroughly spray infested areas thoroughly including outside surfaces of screen frames, doors, window frames, foundations, patios or other places where insects may enter or congregate. For Fleas and Brown Dog Ticks, spray weeds and bushy non-crop vegetation. Do NOT spray pets or desirable vegetation.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Storage: Store in a cool, dry area (inaccessible to children) away from heat or open flame. **Disposal:** Replace cap, securely wrap container in several layers of newspaper and discard in trash. Do not incinerate or puncture. [Alternate Disposal Directions]

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. **Container Disposal:** This container may be recycled in the few but growing number of communities where (steel) aerosol can recycling is available. Before offering for recycling, empty the can by using the product according to the label. (DO NOT PUNCTURE!) If recycling is not available, replace cap wrap the container and put discard in the trash.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Harmful if swallowed, inhaled or absorbed through skin. Avoid breathing spray mist and provide adequate ventilation of area being treated. Avoid contact with skin, eyes or clothing. Thoroughly wash thoroughly with soap and water after handling. Do not use as a space spray. Avoid contamination of feed and foodstuffs. Do not use in edible product areas of food processing plants, restaurants or other areas where food is commercially processed or prepared. Do not use in serving areas while food is exposed.

Statement of Practical Treatment

[First Aid]

If Swallowed	<ul style="list-style-type: none"> Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.
If Inhaled	<ul style="list-style-type: none"> Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.
If on Skin or Clothing	<ul style="list-style-type: none"> Take off contaminated clothing. Immediately rinse skin with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
If in Eyes	<ul style="list-style-type: none"> Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes then continue rinsing eye. Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor or going for treatment. [You may also call 1-800-255-3924 for emergency medical treatment advice.]	
Note to Physician: Contains petroleum distillate – vomiting may cause aspiration pneumonia.	

(Note: The first aid statements' grid format will be used if market label space permits; otherwise a paragraph format will be used.)

If in Eyes: Flush with plenty of water. Get medical attention if irritation persists. **If Swallowed:** Call a doctor or get medical attention. Do not induce vomiting. Do not give anything by mouth to an unconscious person. *Avoid alcohol. **If Inhaled:** Remove person to fresh air. Apply artificial respiration, preferably mouth-to-mouth. Get medical attention. **If on Skin:** Wash with plenty of soap and water. Get medical attention.

Physical or Chemical Hazards

Flammable. Contents under pressure. Do not puncture or incinerate container. Keep away from heat, sparks or open flame. Exposure to temperatures above 130°F may cause bursting. **Contact with roof shingles may cause discoloration or other unwanted effects.**

Environmental Hazards

This pesticide is highly toxic to fish. Do not apply directly to water. Drift and runoff from treated areas may be hazardous to fish in adjacent waters. Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters.

Notice of Warranty: Seller warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on such label only when used in accordance with the directions under normal use conditions. In no case shall Rainbow be liable for consequential or special damages resulting from the use or handling of this product. All such risks shall be assumed by the buyer. Rainbow makes no warranties of MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE or not any other expressed or implied warranty except as stated above.
