CAUTION: KEEP OUT OF REACH OF CHILDREN

ACTIVE INGREDIENTS:

Pyrethrin	0.100
Pyrethrin	0.200
Pyrethrin	0.100
Pyrethrin	0.100

INERT INGREDIENTS

Pride 'n Groom with Insecticides (Natural Pyrethrins) is designed to create a glistening polished show coat and assure a calm, relaxed show horse, not irritated by flies and biting insects. Spray on Pride 'n Groom and watch the highlights dance and radiate from rippling muscles, accentuating the natural ability, strength and personality of the animal.

- Shines and Polishes Hair Coat
- Repels flies, mosquitoes & other biting insects
- Fast drying, water base (not oily)
- Aids in repelling harsh bleaching sun rays
- Enhances natural hair color & highlights
- Prevents static fly-away
- Contains no lacquers or silicone
- Saddles do not slip
- Non-sticky, repels dust & dirt

DIRECTIONS: For best results, shampoo first with AiD Beauty Blue Shampoo and allow animal to dry thoroughly. Spray Pride 'n Groom on dry, clean animal, holding bottle approximately 10 inches from animal. Avoid spraying near eyes. Should accident occur, flush with water. Store in a cool dry place.

PRECAUTIONARY STATEMENT

Hazardous to Humans and Domestic Animals

CAUTION: Avoid contact with eyes. In case of contact, flush eyes thoroughly with water. Obtain medical attention if irritation persists.
