DO NOT use on crops that will be utilized for food or forage purposes. See back panel for additional cautions.

ACTIVE INGREDIENTS:

Dimethylamine salts of 2,4-Dichlorophenoxyacetic acid**..... 0.72%
 Dimethylamine salt of 2-(2-Methyl-4-chlorophenoxy) propionic acid ***..... 0.86%

INERT INGREDIENTS: 98.42%
TOTAL 100.00%

**Equivalent 2,4-Dichlorophenoxyacetic acid 0.60%
 ***Equivalent to 2-(2-methyl-4-chlorophenoxy) propionic acid 0.61%
 EPA Reg. No. 13344-1 EPA Est. 677-IL-1

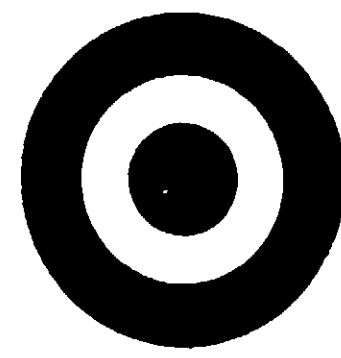

Net Weight 20 Lbs. WEED & FEED 11-47

GUARANTEED ANALYSIS

Total Nitrogen (N) 11%
 1.8% Ammonical Nitrogen
 9.2% Water Soluble Urea Nitrogen
 Available Phosphoric Acid (P₂O₅) 4%
 Soluble Potash (K₂O) 7%
 Potential Acidity Equivalent to 430 lbs. Calcium Carbonate Per Ton.
 Primary Plant Foods derived from Urea, Di-Ammonium Phosphate and Muriate of Potash.

COVERS 5,000 SQ. FT./NET WEIGHT 20 LBS.

WITH ORGANIC CARRIER

The carrier is a natural, non-toxic, biodegradable material that helps the active ingredients penetrate the soil and reach the roots of weeds. It also helps the fertilizer components be absorbed by the grass.

DIRECTIONS

When To Apply: Apply in early spring or late fall when weeds are actively growing. Do not apply if the lawn is dormant or if there is a heavy frost.

How To Apply: Apply evenly to the lawn using a broadcast spreader. Walk slowly and overlap the spreader tracks. Do not apply to wet or frozen lawns.

Warning: Do not use on lawns that are heavily shaded or that have been treated with other lawn treatments. Do not use on lawns that are heavily fertilized or that have been treated with other lawn treatments. Do not use on lawns that are heavily shaded or that have been treated with other lawn treatments.

SPREADERS	
Green Manure	1/2 cup per 1000 sq. ft.
Scotts 24 Drop Spreader	1/2 cup per 1000 sq. ft.
Sears Crafts	1/2 cup per 1000 sq. ft.

Spreader Settings Caution

Note: The settings for spreaders are only approximates. Age and condition of spreader will affect application. Use carefully. Observe rate of application at beginning of spread and make adjustment if necessary. Our products have been tested on broadcast spreaders. Slightly overlap spreader at wheel tracks and strips are missed. Do not overlap as you stop or turn around. Over application of this product can produce serious turf injury. DO NOT open spreader while in stationary position or while making turns, as you will be applying seven to ten times the recommended rate, which can cause severe burning of grass.

TARGET GUARANTEE

Like everything Target sells, Weed and Feed is guaranteed to produce results to your satisfaction or Target will refund the full purchase price.
