

Du Cor POWER FOG INSECTICIDE

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION

May be harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing of spray mist and provide adequate ventilation of area being treated. Contact with skin, eyes or clothing should be avoided. Wash thoroughly after using. Avoid contamination of food, utensils and food preparation areas. Do not spray animals. Do not smoke while spraying.

Do not use in edible products areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

ENVIRONMENTAL HAZARDS

This product is toxic to birds and other wildlife. Keep out of lakes, streams or ponds. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes.

PHYSICAL OR CHEMICAL HAZARDS

FLAMMABLE—DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME

STORAGE AND DISPOSAL

STORAGE Do not use, pour, spill or store near heat or open flame. **DISPOSAL** Do not contaminate water by cleaning of equipment or disposal of wastes.

CONTAINER DISPOSAL For Small Container: Do not reuse empty container. Destroy it by perforating or crushing. Bury or discard in a safe place away from water supplies. For Drums: Do not reuse empty drum. Return to a drum reconditioner or destroy by perforating or crushing and burying in a safe place away from water supplies.

DO NOT apply to rugs, carpets, draperies, wallpaper, or similar materials that may be stained. Avoid excessive wetting of fabric, plastic, rubber and asphalt surfaces such as tiles and floor coverings. Do not allow the small, finger operated, plastic attachment type sprayer to remain in insecticide solution for extended periods as the plastic sprayer may be damaged.

ACTIVE INGREDIENTS:

Malathion (O, O-dimethyl dithiophosphate of diethyl mercaptosuccinate)	3.09%
Pyrethrins	0.16%
Technical Piperonyl Butoxide*	0.32%
N-Octyl Bicycloheptene dicarboxamide	0.53%
Xylene	8.14%
Petroleum Distillates	87.60%

INERT INGREDIENTS

0.16%

*Equivalent to 0.256% (butylcarbityl) (6-propylpiperonyl) ether and 0.064% related compounds. Total 100.00%

KEEP OUT OF REACH OF CHILDREN

CAUTION

Statement of Practical Treatment:

- If Swallowed: Get prompt medical attention.
- If Inhaled: If illness occurs, get prompt medical attention.
- If on Skin: Wash thoroughly after using. Contact with skin, eyes and clothing should be avoided.
- If in Eyes: Flush with water for at least 15 minutes. Get prompt medical attention.

See back/side panel for additional precautions.

*Equivalent to 0.256% (butylcarbityl) (6-propylpiperonyl) ether and 0.064% related compounds.	Total 100.00%

DU COR POWER FOG is a liquid insecticide for use in jet type foggers either indoors or out. It will control roaches, crickets, clover mites, earwigs, silverfish and spiders indoors. It also provides temporary reduction of annoyance from mosquitoes and flies outdoors.

DU COR POWER FOG contains a chemical to give quick knockdown. Malathion in the formulation provides residual control.

FOR CONTROL OF ROACHES, CRICKETS, CLOVER MITES, EARWIGS, SILVERFISH, SPIDERS: Apply by means of a coarse spray to brush to window sills, baseboards, drainboards, under sinks, stoves and other areas frequented by these insects. May be used as a residual or contact spray.

CARPET BEETLES, CLOTHES MOTHS: Apply to baseboards, floors, areas under carpets, along margins of carpets and in closets, behind radiators and other lint accumulating areas, closet shelves and walls, and infested surfaces of carpets. When applied to above areas it will also control clothes moth larvae in these locations. If clothing, such as woolen goods, are to be protected from clothes moths, they should receive regular sprayings with a suitable insecticide.

KEEP OUT OF REACH OF CHILDREN

CAUTION

Statement of Practical Treatment:

- If Swallowed: Get prompt medical attention.
- If Inhaled: If illness occurs, get prompt medical attention.
- If on Skin: Wash thoroughly after using. Contact with skin, eyes and clothing should be avoided.
