DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Formulators using this product are responsible for developing efficacy data and obtaining Environmental Protection Agency (EPA) registration for their specific germicidal formulation. This product may be used to formulate germicidal products for the following registered end-use patterns:

- As a cleaner/disinfectant on hard, non-porous environmental surfaces.
- In pre-soaking laundry (diapers, baby clothes and bedding) to kill odor-causing bacteria.

Storage and Disposal
Do not contaminate water, food or feed by storage or disposal.
Storage: Store in a well ventilated area. **Pesticide Disposal:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. **Container Disposal:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities.
