Label Comments

The following label revisions must be made:

1. Under the Storage and Disposal Section place the word "**Pesticide**" before the word Storage.

General Comments

A stamped copy of the label is enclosed. For detailed information, refer to the attached EPA Product Science Branch review dated November 30, 2001.

Submit three (3) copies of the revised label, incorporating the above revisions. A copy will be stamped and returned for your records.

Should you have any questions or comments concerning this letter, please contact me at (703) 308-6422 or Renae Whitaker at (703) 308-7003.

Sincerely,

Adam Heyward
Product Manager (34)

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Formulators using this product are responsible for developing efficacy data and obtaining Environmental Protection Agency (EPA) registration for their specific germicidal formulation. This product may be used to formulate germicidal products for the following registered end-use patterns:

- As a cleaner/disinfectant on hard, non-porous environmental surfaces.
- In pre-soaking laundry (diapers, baby clothes and bedding) to kill odor-causing bacteria.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Storage: Store in a well ventilated area. **Pesticide Disposal:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. **Container Disposal:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

WARNING: Causes substantial but temporary eye injury. Harmful if swallowed or absorbed through skin. Do not get in eyes or on skin or clothing. Wear protective eyewear (goggles, face shield or safety glasses) when handling. Thoroughly wash with soap and water after handling. Remove contaminated clothing and wash before reuse.

First Aid

If in Eyes:	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
If on Skin or Clothing:	<ul style="list-style-type: none"> • Take off contaminated clothing. • Immediately rinse skin with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
If Swallowed:	<ul style="list-style-type: none"> • Immediately call a poison control center or doctor for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by the poison control center or doctor. • Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-858-7378 for emergency medical treatment information.

Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage.
