Glidclean® 20/80 20% Pine Type Disinfectant
EPA Registration No. 13648-20
Your Amendments Dated March 4, 1992

Dear Ms. Davis:

This is in response to your label revisions.

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comment below. A stamped copy of each product's labeling is enclosed for your records.

Submit five copies of each product's finished labeling before you release the product for shipment bearing the amended labeling.

The new primary brand name for the product with EPA Registration No. 13648-11, "Glidclean® 25/150 25% Pine Type Disinfectant," is acceptable and has been noted in that product's registration file.
