Kim Davis, Agent for
Millennium Specialty Chemicals
c/o RegWest Company
P.O. Box 2220

Dear Ms. Davis:

Subject: Add use sites
Glidclean 20/60 20% Pine Type Disinfectant
EPA Registration No. 13648-19
Amendment application of January 20, 2000

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable provided that you make the labeling changes indicated below prior to release for shipment of product bearing the amended labeling.

Change "toilets" to "toilet seats" or "exterior bowl surfaces."

The label of a product intended for treating toilet and urinal bowl water may bear "disinfecting" or "sanitizing claims that can be identified as being related to human health if, when tested by the method in § 91-7 (b) (1) of Subdivision G, the product meets the performance standard given in § 91-7 (b) (3) of Subdivision G.

ACCEPTED
 with COMMENTS
 in EPA Letter Dated:
 APR 10 2000

EPA Reg. No. 13648-19

EPA Est. 13648-FL-1

_____ fl. oz. (_____ ml)

Under the Federal Insecticide,
 Fungicide, and Rodenticide Act as
 amended, for the pesticide,
 registered under EPA Reg. No.

13648-19

Heavy Duty Cleaner • Disinfectant • Disinfects* • Cleans • Deodorizes • Lasting Fresh Smell • Contains No Phosphorus

*Effective against specific gram-negative household germs, such as those causing Salmonellosis (food poisoning).

This product is a heavy duty cleaner, disinfectant* and deodorizer; leaves a lasting fresh smell.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To Disinfect, Clean and Deodorize Hard, Non-Porous Surfaces in One Operation: Use a mop or brush to apply a solution of 1/4 cup disinfectant to one gallon of water for moderately soiled surfaces such as floors, tubs, toilets, sinks, locker rooms, walls, pet quarters and garbage cans, maintaining a thoroughly wet surface for 10 minutes. Mix fresh solution before each use; no rinsing necessary except on rubber or asphalt tile and on food contact surfaces. Heavily soiled surfaces must be pre-cleaned first, followed by a second application using directions above to disinfect. Use full strength for cutting grease, crayon, old wax or other heavy-duty cleaning jobs; rinse immediately.

Laundry: Use full strength on heavily soiled areas such as collars, cuffs and grease stains. Rub in well and use 1/2 cup in washer along with regular detergent as a cleaning booster and deodorizer.

Pre-Soaking: To kill odor-causing bacteria, use 1/2 cup per gallon of water for diapers, baby clothes and bedding.

Dog Bath: Use 3 teaspoons per gallon of water.

[For product packaged in containers one gallon or less:]

Storage: Store in a cool, dry place (preferably locked) inaccessible to children and pets and away from heat or open flame. **Disposal:** Do not reuse empty container. Wrap and put in trash.

[For product packaged in containers greater than one gallon:]

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Storage: Keep container closed when not in use. Do not store near heat or open flame. **Pesticide**

Disposal: Do not clean equipment or dispose of equipment wastewaters in a manner that will contaminate water resources. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. **Container Disposal:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

WARNING: Causes eye and skin irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contamination of food/food crops.

Statement of Practical Treatment

If in Eyes: Flush with plenty of water. Get medical attention. **If Swallowed:** Drink promptly a large quantity of water. Do not induce vomiting. Avoid alcohol. Get medical attention. **If on Skin:** Wash with plenty of soap and water. Get medical attention if irritation persists. **Note to Physician:** Probable mucosal damage may contraindicate the use of gastric lavage.

Environmental Hazards

[For product packaged in containers less than 5 gallons:]

This product is toxic to fish.

[For product packaged in containers of 5 gallons or more:]

This product is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or regional office of the EPA.

Physical or Chemical Hazards

Do not use or store near heat or open flame.
