Glidclean® 20/80 20% Pine Type Disinfectant
EPA Registration No. 13648-20
Your Amendments Dated March 4, 1992

Dear Ms. Davis:

This is in response to your label revisions.

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comment below. A stamped copy of each product's labeling is enclosed for your records.

Submit five copies of each product's finished labeling before you release the product for shipment bearing the amended labeling.

The new primary brand name for the product with EPA Registration No. 13648-11, "Glidclean® 25/150 25% Pine Type Disinfectant," is acceptable and has been noted in that product's registration file.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

WARNING: Causes eye and skin irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contamination of food/food crops.

Statement of Practical Treatment

If **swallowed:** Drink promptly a large quantity of water. Do not induce vomiting. Avoid alcohol. Get medical attention. If **in eyes:** Flush with plenty of water. Get medical attention. If **on skin:** Wash with plenty of soap and water. Get medical attention if irritation persists. **Note to Physician:** Probable mucosal damage may contraindicate the use of gastric lavage.

Environmental Hazards

This product is toxic to fish. Do not discharge into lakes, streams, ponds or public waters unless in accordance with an NPDES permit. For guidance, contact regional office of EPA.

Physical or Chemical Hazards

Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

[For containers larger than 1 gallon:]

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Storage: Keep container closed when not in use. Do not store near heat or open flame.

Pesticide Disposal: Do not clean equipment or dispose of equipment wastewaters in a manner that will contaminate water resources. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

___ FL. OZ. (___ ml)

ACCEPTED with COMMENTS in EPA Label Draft:

16 AUG 1992

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No. 13648-20

EPA Reg. No. EPA Est.

SCM GLIDCLEAN P.O. Box 1 Jacksonville, FL 32202 U.S.A.

[For containers 1 gallon or larger:]
Storage: Store in original container in a cool, dry area away from direct sunlight in an area inaccessible to children and pets.
Disposal: Do not reuse container. Rinse and place in trash collection.
Heavy Duty Cleaner - Disinfectant
Disinfects*
Lasting
Contains No

*Effective against household germs, such as salmonellosis (food poisoning).
TO DISINFECT, CLEAN AND DEODORIZE NON-POROUS SURFACES: Use a mop or brush to apply 1/2 cup disinfectant to moderately soiled surfaces. Thoroughly wet surface for 10 minutes before each use, except on rubber or contact surfaces. Heavy soiling should be precleaned first, followed by application using directions for full strength for cutting grease or other heavy-duty cleaning.
LAUNDRY: Use full strength in areas such as collars, cuffs, and linens. Rub in well and use with regular detergent and deodorizer.
PRE-SOAKING: To kill germs on baby clothes and bedding, use 1/2 cup per gallon.
DOG BATH: Use 3 tsp
