Hauppauge, NY 11788

Gentlemen:

Subject: Four Paws Repellent For Dogs and Cats
EPA Registration No. 13799-1
Your Amended Application Dated August 24, 1987

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), is acceptable subject to the comments listed below.

1. As clarified in your September 8, 1987, telephone conversation with a member of my staff, Mr. Daniel Peacock, you wish the basic name of this product to remain unchanged. Therefore, delete "Puppies & Kittens" from the name on your draft label.
2. Your request for the following additional brand name is acceptable.

Four Paws Cat and Kitten Repellent

3. Insure that your ingredient statement appears on the front panel, as it does in the enclosed label.
4. If you intend to have graphics on any of your labels, they must appear on your final printed label. The only graphics approved for this product are those approved on January 21, 1987.
5. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

FOUR PAWS^R
R E P E L L E N T
for
DOGS & CATS
PUPPIES & KITTENS

Will repel dogs & cats, puppies & kittens for 12 to 24 hours when applied daily.

Four Paws Dog & Cat, Puppy & Kitten Repellent will help you in training your pet. When spraying the restricted area with the Repellent, your dog or cat, puppy or kitten will learn it is a forbidden area and after a while, will not return to that spot.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS

Harmful if swallowed or absorbed through skin. Avoid contact with skin. Wash hands with soap and water after spraying. Do not use in commercial food processing or preparation areas. In the home, all food processing surfaces and utensils should be covered during treatment. Cover exposed food. Do not apply to food crops.

PHYSICAL HAZARDS

Contents under pressure. Do not store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F. may cause bursting.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USING

INDOORS: Spray Four Paws Dog & Cat, Puppy & Kitten Repellent lightly on articles of furniture, on rugs and in restricted areas so that the area or object is slightly moistened. This will break your pet of the undesirable habit of utilizing the furniture and rugs. Test the effect of this product by first treating a small inconspicuous area before spraying extensive areas of rugs, fabrics or plastics. To avoid possible damage, spray a piece of cloth lightly and place it on the object or area to be protected until the undesirable habit is broken. Repeat daily or as necessary.

OUTDOORS: Spray the edges of flowerbeds, trunks of trees, the bases of shrubbery or evergreen, patches of lawn, etc. lightly everyday with this product to prevent your pet or stray animals from soiling the area. Stray animals are frequently attracted to areas where urine or feces have been deposited. First clear any droppings, then spray the area with Four Paws Dog & Cat, Puppy & Kitten Repellent. Continue as often as necessary until undesirable habits of your pet or stray animals are changed.

NOTE: This product is not likely to break the established urination patterns of dogs and cats unless it is used as a training aid.

Do not apply directly to foliage of shrubs or to ornamental soft bodied plants.

STORAGE & DISPOSAL

STORAGE: Store only in a cool, dry place inaccessible to children and pets.

DISPOSAL: When empty, replace cap, securely wrap in newspaper and discard in trash. Do not incinerate or puncture.
