Dogs & Cats

Page 1 of 4

NOTICE OF PESTICIDE: REGISTRATION
 REREGISTRATION

(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Four Paws Products, Ltd.
50 Wireless Boulevard
Hauppauge, NY 11790

101-197051
184

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. Acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Add the phrase "EPA Registration No. 13799-20."
 - b. The product name as given above is acceptable. "Four Paws Ear Mite Remedy With Aloe Vera For Dogs & Cats" implies an animal drug and is not acceptable. Delete "With Aloe Vera."
 - c. Delete "Kills ear mites effectively while soothing your pet's irritated ears." We will accept "Kills ear mites. Contains the grooming ingredient Aloe vera."
 - d. Precede decimals less than one with a zero. Thus, 0.84% and 0.21%.
 - e. Place the signal word immediately below the child hazard warning.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

FOUR PAWS EAR MITE REMEDY

With Aloe Vera

For Dogs & Cats

Kills ear mites effectively while soothing your pets irritated ears.

Aids in wax removal.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

FOR EXTERNAL USE ONLY

To Kill Ear Mites and Aid in the Removal of Ear Wax: Apply 10 drops of solution in ear and gently massage base of ear for 3-5 minutes. Leave solution in ear for another few minutes and then allow dog or cat to shake its head to remove as much solution as possible. Wipe the remainder of liquid from the ear with cotton.

This solution applied twice monthly will reduce the possibility of ear mite infestation and the accumulation of ear wax. Not recommended for puppies and kittens under 7 weeks of age.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

Harmful if swallowed. Avoid contact with skin and eyes. Do not contaminate food or feedstuffs with this solution.

Do not use for prolonged period of time. If condition persists or if irritation develops, discontinue use and consult a veterinarian.

Environmental Hazards

This product is toxic to fish, birds and other wildlife. Do not contaminate any body of water with this solution.

Physical Hazards

Do not store or use near heat or open flame.

DIAGNOSIS

Ear mites normally cause a dry, dark, brown, waxy, exudate with crusts in the ears of dogs & cats. The mites are easily observed by placing some of the ear exudate on a dark surface and watching carefully for white specks walking away. DO NOT probe, swab or injure the delicate tissue of the ear when removing exudate. Inflamed, watery or blocked ear canals indicate a more serious condition which requires the services of a veterinarian.

STORAGE & DISPOSAL

Storage: Store in a cool area away from heat or open flame.

Disposal: Do not re-use empty container. Wrap container and put in trash collection.
