**Subject: Amended Labeling In Response to EPA Letter Dated September 16, 2008
Four Paws® Mite & Lice Bird & Cage Spray, EPA Reg. No. 13799-22
Your Submission Dated October 21, 2008**

Dear Ms. Birk:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable with the following provision(s):

Directions for Use section, Use Restrictions subsection comment(s):

1. Replace the existing "Use Restrictions" subsection with: "**General Precautions & Use Restrictions:** Avoid the bird's eyes and face. Do not spray food, foodstuffs or drinking water. Cover or remove food or foodstuffs and drinking water. Cover fish aquariums before spraying."
2. In the paragraph immediately following the newly revised "General Precautions & Use Restrictions" subsection, replace the 3rd sentence with: "Spray directly on birds from 12 to 18 inches away. Avoid the bird's eyes and face, spray lightly utilizing 3 or 4 pumps."

Storage and Disposal Statement section comment(s):

3. To facilitate inclusion of language from PR Notice 2007-4, replace the existing "Disposal:" subsection with: "**Disposal: If empty:** Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drains."

In response to your 1st inquiry regarding EPA's previous request to Four Paws® Products Ltd. to display a batch code on this product as per PR Notice 2007-4, please note that your response about the placement of a lot number on the bottom of the bottle is acceptable to the Agency.

In response to your 2nd inquiry regarding EPA's previous request to Four Paws® Products Ltd. to clarify the meaning of the statement "Central Garden & Pet," please note that your response that Central Garden & Pet is your parent company is acceptable to the Agency.

Four Paws® Products Ltd. should note that a notice of availability of EPA's RED for products containing pyrethrins was published in the *Federal Register* on July 26, 2006 (Volume 71, Number 143, Pages 42387-42389). In addition, EPA's RED for products containing piperonyl butoxide was published in the *Federal Register* on July 26, 2006 (Volume 71, Number 143, Pages 42385-42386). As a result, additional data and/or labeling changes may be required for products containing pyrethrins and/or piperonyl butoxide.

A copy of your label stamped "Accepted with Comments" is enclosed for your records. Please submit two (2) copies of the final printed labeling, incorporating the above changes, before releasing the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing amended labeling constitutes accepting of these conditions.

If you have any questions about this label review, please contact Mr. Carmen J. Rodia, Jr. at (703) 306-0327 or via e-mail at Rodia.Carmen@epa.gov.

Sincerely yours,

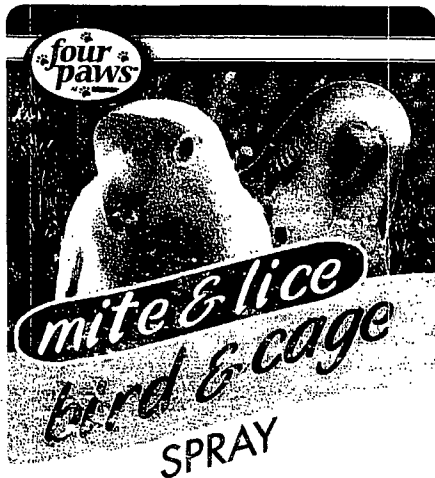

FOR

Richard J. Gebken
Product Manager (10)
Insecticide Branch
Registration Division (7505P)

* Equivalent to 0.24% (butylcarbityl) (6-propylpiperoni) ether and 0.06% related compounds.	100.000%

CAUTION

Keep out of reach of children
See back panel for additional precautionary labeling.

8 FL OZ. (236ML)

THE FOUR PAWS® BIRD & CAGE SPRAY
KILLS MITES AND LICE ON BIRDS AND IN CAGES
FAST AND SAFELY.

Precautionary Statements
Hazards to Humans & Domestic Animals
CAUTION

Harmful if swallowed. Avoid inhalation of vapors. Avoid contact with skin. Wash contaminated skin promptly with soap and water.

Statement of practical treatment

If swallowed: Contact a physician or poison Control Center immediately. Drink one or two glasses of water and induce vomiting by touching the back of your throat with finger.

If inhaled: Remove person to fresh air. Apply artificial respiration if indicated.

If on skin: Remove contaminated clothing and wash affected areas with plenty of soap and water.

If in eyes: Flush eyes with plenty of water. Call physician if irritation persists.

Directions for use: It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Use Restrictions: Avoid the birds eyes and face, spray lightly utilizing 3 or 4 pumps. Avoid spraying food or foodstuffs. Cover fish aquariums before spraying.

Shake well before use. To kill lice on your bird, leave bird(s) in cage. Remove food and foodstuffs. Spray directly on birds from 12 to 18 inches away. To kill mites remove bird(s), food and water cups, etc., and spray cage thoroughly by holding bottle at least one foot from surface utilizing 5 or 6 pumps. This treatment may be done twice a week. Clean cage thoroughly at regular intervals.

Storage: Store in original container in a cool dry place inaccessible to children and away from heat and direct sunlight. Protect from freezing.

Disposal: Nonrefillable container. If empty: Do not reuse or fill this container. Offer for recycling if available. If partly filled: call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
