Four Paws®
PROTECTOR®
Quick Kill Flea & Tick Spray
With Aloe Vera and other Grooming Ingredients

Four Paws Protector Kills fleas and ticks quickly and easily. Four Paws Protector will control fleas for up to 14 days on dogs and cats and will control ticks up to 4 days on dogs and 9 days on cats.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Hold container upright. Shake well before using. Spray the animal from a distance of 8-12 inches. Start spraying at the tail, moving the dispenser rapidly and making sure the animal's entire body is covered, including the legs and under the body. Fluff the hair as you spray so the spray will penetrate to the skin. The spray should wet ticks thoroughly. Do not spray in face, eyes, or on genitalia. Repeat as needed. For cats, apply at the rate of one second per pound of body weight. For dogs, apply at the rate of two seconds per pound of body weight for thin or short hair dogs and up to 8 seconds per pound of body weight for heavy or long hair dogs. Do not use on puppies or kittens under the age of 12 weeks. Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals, or animals on medication. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. Helpful Hint: To control reinfestations, weekly applications with Four Paws Protector are recommended.

PRECAUTIONARY STATEMENTS

CAUTION

Hazards to Humans and Domestic Animals
Harmful if swallowed. Avoid breathing vapors.

PHYSICAL AND CHEMICAL HAZARDS

Do not use or store near heat or open flame.

FIRST AID

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. In case of emergency or for product use information, call (631) 434-1100 9AM-5PM EST, Monday through Friday.

STORAGE AND DISPOSAL

STORAGE: Store only in a cool, dry place inaccessible to children and pets, away from heat or open flame. Store above 32° F. and protect from freezing.

DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
