

NOTICE OF PESTICIDE: REGISTRATION
 REREGISTRATION
(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

NAME OF PESTICIDE PRODUCT

Four Paws[®] Indoor Fogger II

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Four Paws[®] Products Ltd.
50 Wireless Blvd.
Hauppauge, NY 11788

160/PS-1204
2

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

2. Agree to revise the precautionary labeling, after the Agency review of the acute oral and acute dermal toxicity data for MGK's product EVERCIDE[®] TOTAL RELEASE FOGGER 2522 (EPA Reg. No. 1021-1577). The data on MGK's product being used in support of this product.

3. Make the labeling changes listed below before you release the product for shipment:

a. Add the phrase, "EPA Registration No. 13799-27."

- b. Please provide the flashpoint of the product with the propellant on the Confidential Statement of Formula. The Agency is currently reevaluating the product chemistry guidelines and expects to revise this data requirement in the near future. In the interim however, the Agency is evaluating the text of flammability statements on a case-by-case basis. Due to the presence a highly flammable component in this product, the Agency is recommending the Physical/Chemical Hazards paragraph below:

Extremely flammable. Contents under pressure. Keep away from fire, sparks and heated surfaces. Do not puncture or incinerate container. Exposure to temperatures above 130 °F may cause bursting.

- d. Add the statement "see additional precautionary statements on side panels".
- e. Revise Precautionary Statements by adding "Causes moderate eye injury." after "...aspiration pneumonia hazard.", and "or inhaled" after "Harmful if swallowed".
- f. Add the following sentences to the TO OPERATE VALVE instructions before the first sentence:

"Place several layers of newspaper or pad on stand or on table in the center of the room. Point valve opening away from face. To lock valve in open... etc."

3. Submit five copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

George T. LaRocca
Product Manager 15

Federal Insecticide, Fungicide, and Rodenticide Act. Registered under EPA Reg.

13799-27

Four Paws Indoor Fogger will kill roaches, fleas, ticks, spiders, flies, mosquitoes, wasps, hornets, yellow jackets, silverfish, ants, gnats, waterbugs, earwigs, crickets, sawtoothed grain beetles, confused flour beetles, rice weevils, pill bugs and small flying moths.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS**

Harmful if swallowed. Contains petroleum distillate. Do not induce vomiting because of aspiration pneumonia hazard. Avoid breathing vapors or spray mist. Avoid contact with skin or eyes. In case of contact, flush with plenty of water. Wash with soap and warm water after use. Obtain medical attention if irritation persists. Avoid contamination of food or feed-stuffs.

Do not use in commercial food processing, preparation, food storage or serving areas. In the home, all food processing surfaces and utensils should be covered during treatment, or thoroughly washed before use. Exposed food should be covered or removed.

Remove pets, birds, and cover fish aquariums before spraying.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Keep away from heat, sparks, and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F. may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Cover exposed food, dishes and food-handling equipment; Open cabinets and doors to area to be treated. Shut off fans and air conditioners. Put out all flames and pilot lights. Close doors and windows. Point valve opening away from face when releasing. Use one unit for each 6,000 cubic feet of unobstructed area. Use additional units for remote rooms or where free flow of mist is not assured. Do not remain in the area during treatment and ventilate thoroughly before re-entry.

TO OPERATE VALVE: To lock valve in open position for automatic discharge, press valve button all the way down, hooking the catch. Then place fogger on stand or table in the center of the room with valve locked open, placing several layers of newspaper or pad under fogger. Leave building at once and keep building closed for four hours before airing out. Open all doors and windows and allow to air for 30 minutes. Repeat spraying in two weeks or when necessary.

To Kill Fleas & Ticks: Destroy pet's old bedding and replace with clean, fresh bedding after treatment is completed. Use product as above. Pets should be treated with a registered flea and tick control product prior to reentering treated premises.

STORAGE & DISPOSAL

STORAGE: Store in a cool dry area away from heat or open flame.

DISPOSAL: Replace cap and discard container in trash. Do not incinerate or puncture.
