Four Paws Indoor Fogger II

1605440876
18/1

Four Paws Products Limited
50 Wireless Blvd
Hauppauge, NY 11788

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the labeling changes listed below before you release the product for shipment:

a. Add the phrase "EPA Registration No. 13799-28"

b. Delete "wasps, hornets and yellow jackets" from the pest category, or cite an identical or substantially similar product that can support such claim.

c. Under Precautionary Statements: Hazards to Humans and Domestic Animals:

1. Revise "Avoid breathing vapors of spray mist" to read "Avoid breathing vapors or spray mist".

2. Revise the first sentence of the second paragraph to

SYMBOL							
SURNAME	Moats						
DATE	6/1/93						

read.....Do not use in commercial food/feed handling establishments, restaurants or other areas where food /feed is commercially prepared or processed.

d. Under Physical or Chemical Hazards:

Revise "kee away from heat" to read
..... " keep away from heat".

e. Incorporate the following instruction under "Directions for Use"

.....Do not use this unit in a cabinet or under a counter or table. Do not use this unit in an area less than 100 cubic feet.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6 (e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

ACCEPTED with COMMENTS in EPA Letter Dated

JUN - 1 1993

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No.

13799-28

Four Paws® Indoor Fogger will kill roaches, fleas, ticks, spiders, flies, mosquitoes, wasps, hornets, yellow jackets, silverfish, ants, gnats, waterbugs, earwigs, crickets, sawtoothed grain beetles, confused flour beetles, rice weevils, pill bugs and small flying moths.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS & DOMESTIC ANIMALS

Caution: Harmful if swallowed. Avoid breathing vapors ^{or} spray mist. Avoid contact with skin or eyes. In case of contact, flush with plenty of water. Wash with soap and warm water after use. Obtain medical attention if irritation persists. Avoid contamination of food or feedstuffs.

Do not use in commercial food processing, preparation, food storage or serving areas. In the home, all food processing surfaces and utensils should be covered during treatment, or thoroughly washed before use. Exposed food should be covered or removed. Remove pets, birds, and cover fish aquariums before spraying.

PHYSICAL OR CHEMICAL HAZARDS

EXTREMELY FLAMMABLE. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F. may cause bursting.

Directions for Use: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USE. KEEP CONTAINER UPRIGHT.

Cover exposed food, dishes and food handling equipment. Open cabinets and doors to area to be treated. Shut off fans and air conditioners. Put out all flames and pilot lights. Close doors and windows. Point valve opening away from face and eyes when releasing. Use one unit for each 6,000 cubic feet of unobstructed area. Use additional units for remote rooms or where free flow of mist is not assured. Do not remain in the area during treatment and ventilate thoroughly before re-entry.

to Operate Valve: To lock valve in open position for automatic discharge, press the valve button all the way down, hooking the catch. Then place fogger on stand or table in the center of the room with valve locked open, placing several layers of newspaper or pad under fogger. Leave building at once and keep building closed for two hours before airing out. Open all doors and windows and allow to air for 30 minutes. Repeat spraying in two weeks or when necessary.

To Kill Fleas and Ticks: Destroy pet's old bedding and replace. Use product as above. Treat dogs and cats with Four Paws Protector® prior to re-entry.

STORAGE AND DISPOSAL

STORAGE: Store in a cool area away from heat or open flame.

DISPOSAL: Replace cap and discard container in trash. Do not incinerate or puncture.
