June 15, 2016

Luis Garcia
Verpas Products, Inc.
P.O. Box 29410
San Juan, Puerto Rico 00929-0410

Subject: Amended Reregistration Label
Product Name: Diaciclón F-7
EPA Registration Number: 13926-7
Decision Numbers: 412509, 410348

Dear Mr. Garcia:

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the reregistration of the above referenced product in connection with the pyrethrins and PBO RED, and has concluded that your submission is acceptable. The label referred to above, submitted in connection with registration under FIFRA, as amended, is acceptable.

NOTE: This product is **not** yet being reregistered under section 4(g) of FIFRA.

Please note that the record for this product currently contains the Confidential Statements of Formulation (CSFs) listed below. Any previously dated CSFs are superseded.

- Basic CSF, dated 05/26/2014

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

A copy of your label stamped "Accepted" is enclosed. Products shipped after 12 months from the date of this amendment or the next printing of the label, whichever occurs first, must bear the new revised label. Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions. If these conditions are not complied with, the

EPA Reg. No. 13926-7
Decision No. 412509, 410348

registration will be subject to cancellation in accordance with FIFRA section 6.

If you have any questions, please contact Jessica Rogala by phone at 703-347-0263, or via email at rogala.jessica@epa.gov.

Sincerely,

A handwritten signature in cursive script that reads "Meredith M. Fry". The ink is dark and the signature is centered on the page.

RESTRICTED USE PESTICIDE
due to Toxicity to Fish and Aquatic organisms.

VERPAS PRODUCTS INC.

DIACICLON F-7

P.O. BOX 29410, SAN JUAN, P.R. 00929 MULTI-POURPOSE SPRAY

TELEPHONE: (787)752-3015

(COMMERCIAL SECTION OF LABEL)

RESTRICTED USE PESTICIDE due to Toxicity to Fish and Aquatic organisms.

Contains pyrethrins, a botanical insecticide

For use in home and food and non-food area of restaurants, food processing plants and other Commercial and industrial site

Kills flies, mosquitoes, and other listed flying insect pests. Kills listed pests.

ACTIVE INGREDIENTS:

Pyrethrins..... 0.20%

Piperonilbutoxide*..... 1.18%

OTHER INGREDIENTS:.....98.62%

100.00%

***(Butyl carbityl)(6-propylperonyl)ether and related compounds**

KEEP OUT OF REACH OF CHILDREN

CAUTION

FIRST AIDS

If Swallowed: Call a Poison Control Center or doctor immediately for treatment advice.
Do not give any liquid to the person.
Do not induce vomiting unless told to by a poison control center or doctor.
Do not give anything by mouth to an unconscious person.

If on skin or clothing: Take **off** contaminated clothing.
Rinse skin immediately with plenty of water for 15-20 minutes.
Call a poison control center or doctor for treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes.
Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also **contact 1-800-222-1222** for medical treatment information.

NOTE TO PHYSICIAN

Contains petroleum distillates. Vomiting may cause aspiration pneumonia.

EPA Reg. No. 13926-7 EPA Est No. 13926-pr-1

Net Weight. _____

ACCEPTED

Jun 15, 2016

Under the Federal Insecticide, Fungicide
and Rodenticide Act as amended, for the
pesticide registered under
EPA Reg. No. 13926-7

**PRECAUTIONARY STATEMENTS
HAZARD TO HUMAN AND DOMESTIC ANIMAL
CAUTION**

Harmful if swallowed. Harmful if absorbed through skin. Causes moderate eye irritation. Avoid Contact with skin, eye, or clothing. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals. Wear (specify any appropriate protecting clothing and glove if appropriate). Wear (specify protective eyewear if appropriate). Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before use.

PERSONAL PROTECTIVE EQUIPMENT(PPE)

All handlers must wear: Long-sleeved shirt, Long pants, Shoes and socks, and chemical-resistant Glove made of barrier laminate, nitrile rubber, neoprene rubber or Viton.

USER SAFETY REQUIREMENTS

Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instruction for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry.

Discard clothing and other absorbent materials that have been drenched or heavily contaminated With this product's concentrate. Do not reuse them.

User should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.

User should remove clothing-PPE immediately if pesticide gets inside. Then wash thoroughly and Put on clean clothing.

User should remove PPE immediately after handling this product. Wash the outside of gloves before removing, as soon as possible, wash thoroughly and change into clean clothing.

ENVIRONMENTAL HAZARD

This pesticide is toxic to aquatic organisms, including fish and invertebrates. Do not apply Directly to or near water. Drift and run-off may be hazardous to fish and water adjacent or Treated area. Do not contaminate water when disposing of equipment wash water or rinsate. See Direction for use for additional precautions and requirements.

This product is highly toxic to bees exposed to direct treatment on blooming crops and weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are foraging the treatment area.

PHYSICAL OR CHEMICAL HAZARD

Combustible. Do not use or store near heat or open flame. Do not puncture or incinerate. Container. Exposure to temperature above 130°F may cause bursting. Do not use this product in or on electrical equipment due to possibility of shock hazard. Under some conditions, it may also have a potential for transport into surface water in runoff (primary adsorbed to suspended soil particles) for several months or more after application. These include poorly draining or wet soil with readily visible slopes toward adjacent surface water, frequently flooded areas, and areas overlying extremely shallow groundwater, areas with infield canals or ditches that drain to surface water, areas not separated from adjacent surface waters with vegetated filter strips, and areas over-lying tile drainage system that drain to surface waters.

DIRECTIONS FOR USE
IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCTS
IN A MANNER INCONSISTENT WITH IS LABELING.

For best results, follow directions for specific areas. Do not use on animals. Avoid excessively wetting furniture and carpeting. Always test in an inconspicuous (hidden) area prior to use on natural and synthetic fibers, which may be adversely affected by any liquid product. This product may stain or adversely affect vinyl, paint and plastic surface. Avoid application to asphalt shingles as staining will be occur. Before using in areas where spray may contact this surface, test in an inconspicuous area and recheck in a few hours. Avoid contamination of food and feedstuffs. Avoid contamination of food or food handling surfaces. Do not allow children or pets to contact treated surface until dry. All outdoors applications must be limited to spot or crack-and-crevice treatment only. Do not wash the treated area to the point of run-off. Do not make application during rain.

Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers will be in the area during application.

For directed spray:

Do not enter or allow others to enter treated area until sprays have dried.

For space spray:

Do not enter or allow others to enter until vapors, mists, and aerosol have dispersed, and the Treated area has been thoroughly ventilated.

Do not remain in treated area. Exit area immediately and remain outside the treated area until Aerosol, vapors, and/or mist have dispersed.

For application indoors:

Remove or cover exposed food and drinking water before application.

Remove or cover dishes, utensils, food processing equipment and food preparation surface, or Wash them before use.

Application is prohibited directly into sewers or drain, or to any area like a gutter where Drainage to sewers, storm drain, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.

Do not use in aircraft cabins.

For use in food handling and processing facilities:

Do not make space spray application when facility is in operation.

Prior to space spray application, cover or remove food.

Prior to space spray application, cover food processing surface or clean after treatment and before use.

Space treatment indoors:

Close all doors and windows. Turn off fans and air conditioner and spray upward into center of room with slow sweeping motion. Spray 5 to 10 seconds for average size room (1,000 cubic feet) (10ft.x12ft.x8ft.). keep room closed for 15 minutes after spraying. Ventilate room thoroughly before entry.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

Storage:

Store in a cool, dry area away from children, preferably a secure storage area. Always store Pesticides in the original container. Store away from food and pet food.

Pesticide Disposal and Container Handling

Do not puncture and incinerate.

Non-refillable container. Do not reuse or refill this container.

If empty:

Place in trash or offer for recycling if available.

If partly filled:

Call your local solid waste agency for disposal instruction.
