St. Paul, MN 55108

Attention: Stephen A. Hanson

Gentlemen:

Subject: BKG Quat 1
EPA Registration No. 14505-3
Your Application Dated April 4, 1988

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling.
 - a. In the center panel, delete the statement "ONLY FOR SALE TO, USE, AND STORAGE BY SERVICE PERSONS."
 - b. Delete the words "General Classification."
 - c. Delete the word "milk."

2. We have adjusted our records accordingly.

Old Product Name: QC Quat II

New Product Name: BKG Quat 1

Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

Cross-contamination is of major housekeeping concern not only in hospitals, but in schools, institutions, and industry. BKG QUAT 1 has been formulated to aid in the reduction of cross-contamination in these areas.

BKG QUAT 1 is a one-step disinfectant cleaner that is effective against a broad spectrum of bacteria, is virucidal, fungicidal, and will prevent the growth of mold and mildew and their odors when used as directed.

BKG QUAT 1 is an effective one-step sanitizer-cleaner for use on non food contact surfaces.

When used as directed, BKG QUAT 1 will deodorize surfaces in toilet areas, behind and under sinks and counters, garbage cans and garbage storage areas, and other places where bacterial growth can cause mal odors.

Precautionary Statements—Hazards to Humans and domestic animals

DANGER

Keep out of reach of children. Corrosive. Causes eye and skin damage. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed or absorbed through skin. Avoid contamination of food.

Alkyl (C₁₂, 50%; C₁₀, 40%; C₈, 10%) dimethyl benzyl ammonium chloride

Inert ingredients

EPA Registration No. 14505-3
KEEP OUT OF REACH OF CHILDREN
DANGER

Statement of Practical Treatment

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. Call a physician. Remove and wash contaminated clothing before reuse.

If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution, or if available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Watch for circulatory shock, respiratory depression, and convulsion may be needed.
