NOTICE OF PESTICIDE: REGISTRATION
 REREGISTRATION

(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

NAME OF PESTICIDE PRODUCT

Algae Clear Out

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Fritz Chemical Co.
P.O. Drawer 17040
Dallas, TX 75217

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Add the phrase "EPA Registration No. 14802-5."
 - b. Add the chemical name to the ingredient statements so that they read:

Active Ingredient	
Simazine; 2-chloro-4,6-bis(ethylamino)-S-triazine	0.6%
Inert Ingredients	99.4%
	Total 100.0%

c. Add the following:

PRECAUTIONARY STATEMENTS

Hazards to Humans

CAUTION: Avoid contact with skin, eyes or clothing. In case of contact, immediately flush eyes with plenty of water.

Environmental Hazard

Do not contaminate water by cleaning of equipment or disposal of wastes.

The human hazard statements are based on reported results for your submitted data on this product (acute oral, primary skin, and eye irritation). The volume of data was assigned Accession No. 260267.

Within one year of the date of registration, submit a storage stability study for this formulation (you may do an accelerated 3-month study at 50 °C). Since you are using plastic containers, the study should also cover corrosion potential. Refer to the attached pages from Subdivision D of the guidelines (§§ 63-17 and 63-20).

3. Submit one (1) copy of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

DO NOT USE TREATED WATER FOR DOMESTIC OR IRRIGATION PURPOSES.
Water hyacinth may be damaged or killed by continued use of the product.

DIRECTIONS FOR USE:

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USING.

Aquariums - Add 15 ml. (1 tbs.) per 10 gal. of water. Algae should start to disappear in about one week. Repeat when algae begins to reappear (approx. two months, depending on system). For tanks with heavy algae growth clean the excess algae off the sides of the tank and ornaments before adding FRITZ ALGAE CLEAN OUT.

STORAGE AND DISPOSAL

Store in original container. Do not contaminate water or food by storage or disposal. Product Disposal - Securely wrap original container in several layers of newspaper and discard in trash. Container Disposal - Do not reuse container. Rinse thoroughly before discarding in trash.

For treatment of larger systems use item #369-1058 or 1059.

Net Contents
8 oz. (235 ml)
Treats 160 gal.

DO NOT USE WATER FOR DOMESTIC OR IRRIGATION PURPOSES.

Some water plants may be effected (water hyacinth, water fern). They may begin to brown, continued use of product could kill them. Water lilies and cattails will not be effected.

DIRECTIONS FOR USE.

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USING.

For aquariums, fountains, and small ponds with heavy algae growth clean the excess algae off the sides and ornaments before adding FRITZ ALGAE CLEAN OUT. This will reduce the amount of decaying organic matter.

Aquariums - Add 15 ml (1 tbs.) per 10 gal. of water. Algae should start to disappear in about one week. Repeat when algae begins to reappear (approx. two months, depending on system).

Fountains, Small Ponds (i.e. goldfish, koi) - Treat only those which will have little or no outflow after treatment.

High water temperatures cause more rapid natural decay of dead algae which can cause fish distress. If animals are present clean out excess algae as stated above or use before water temperatures exceed 75°F.

Add 15 ml (1 tbs.) per 10 gal. of water. Algae should start to disappear in about one week. Repeat when algae begins to reappear (approx. two months, depending on system). To figure capacity of fountain or pond; $L' \times W' \times H' = \text{cu.ft} \times 7.5 = \text{gallons}$.

STORAGE AND DISPOSAL

Store in original container. Do not contaminate water or food by storage or disposal. Product Disposal - Securely wrap original container in several layers of newspaper and discard in trash. Container Disposal - Do not reuse container. Rinse thoroughly before discarding in trash.

For treatment of larger systems use commercial size item# 369-1059
