

**CHEMTOX**  
**PENTA PRESERVATIVE**  
**CONCENTRATE 1 TO 5**  
**WOOD PRESERVATIVE**

Net Contents: 2 Gallons

**PRECAUTIONARY STATEMENTS**  
**HAZARDS TO HUMANS**  
**& DOMESTIC ANIMALS**  
**DANGER**

May be fatal if swallowed, inhaled or absorbed through the skin.

Causes eyes and skin irritation. May produce delayed chemical burns.

Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Lumber wet with solution should be handled with rubber gloves. Avoid contamination of feed or foodstuff.

Do not use on wood that may come in contact with food, feed or livestock.

Do not use Penta Pres. 1-5 indoors or in any confined area where spray mist and vapors may concentrate and cause injury to plants or animals.

Keep container closed when not in use.

Do not use, pour, spill or store near heat or open flame.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish and wildlife. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its label.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Pesticide, diluted solution or rinsate that cannot be used should be disposed of according to procedures approved by Federal, state or local disposal authorities.

Reseal container and offer for reconditioning or triple rinse (or equivalent) and offer for recycling, reconditioning or disposal in approved landfill or bury in a safe place.

**FOR INDUSTRIAL USE ONLY**

**INGREDIENT STATEMENT**

**ACTIVE INGREDIENTS:**

Pentachlorophenol .....	21.76%*
Other Chlorophenols .....	2.53%*
Petroleum Distillate .....	30.70%

**INERT INGREDIENTS**

**TOTAL** .....

**ACCEPTED**  
**100.00%**

**29 APR 1980**

\*Equivalent to 25.3% pentachlorophenol, technical, as defined by Federal Spec. TT-W-570a

Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registration number 15116-5

**KEEP OUT OF REACH OF CHILDREN**

**DANGER**  **POISON**

If swallowed, do not induce vomiting.  
**CALL A PHYSICIAN.**

In case of eye contact, flush eyes immediately with plenty of water for at least 15 minutes and get medical attention.

In case of skin contact, wash with soap and plenty of water. Wash contaminated clothing before reuse.

**SEE SIDE PANEL FOR ADDITIONAL PRECAUTIONARY STATEMENTS**

**DIRECTIONS**

To make a 5% ready-to-use solution, mix one part of this concentrate with five parts by volume of a suitable petroleum solvent such as mineral spirits or kerosene.

As Penta Pres. 1-5 is a concentrate, do not use without diluting.

**WOOD PRESERVATION**

After diluting as indicated above the ready-to-use Penta Pres. 1-5 solution can be applied to lumber, poles, post and other wood products by a hot-cold bath process, by soaking, spraying, or brushing. The most effective treatment is obtained where deep penetration and high absorptions result. Soaking or a hot-cold bath process gives better results than does spraying or brushing and should be used where possible. Fence posts should be barked and air seasoned until dry and then soaked 24 to 48 hours. The butts should be well treated. Lumber for steps, sills, etc. should be soaked for at least 12 hours. When the wood is not in ground contact, brushing or swabbing may be used. The joints should be thoroughly drenched.

The solution obtained by diluting this concentrate with five volumes of petroleum solution is a proven wood preservative and is especially recommended for the use of termite exterminators and others wishing to protect buildings from the ravages of these insects. Wood treated with ready-to-use solution is not paintable. If it is desired to paint treated wood, Penta WR should be used.

**WARRANTY STATEMENT**

Neither the Chemwood Corporation nor the seller makes any representation or warranty, expressed or implied, concerning this material, except that it is of Chemwood Corporation standard quality. Neither shall be responsible in any manner for any personal injury or property damage or other type of loss resulting from the improper handling, storage or use of this material. The buyer accepts and uses this material on these conditions.
