Radiant Sheen**

CAUTION:
KEEP OUT OF REACH OF CHILDREN

NET 32 FL. OZ. (946ml)

Flea & Tick is a conditioning shampoo concentrate that contains NATURAL PYRETHRINS for effective flea, lice and tick control. Coconut oil base formula cleans gently, highlights all colors and makes white sparkle.

The protein and lanolin in this shampoo help condition skin and coat, prevent dryness and give the coat body and a deep down lustre and sheen. Coat dries smooth, manageable and tangle-free.

pH balanced, mild, rinses out completely, leaving the coat smelling fresh and clean.

Recommended for puppies and kittens.

DIRECTIONS: Use as is or dilute 1 part with 4 parts of water. Wet coat thoroughly with warm water. Apply shampoo and work well through the coat. Allow lather to stand for 10 minutes if fleas, ticks, or lice are present (if heavily infested use full strength). Rinse with warm water, dry and groom as usual. Repeat if additional conditioning is desired.

Don't just groom - BIO-GROOM - your dogs and cats are worth it!
