Leaves Coat with Radiant Sheen**

Flea & Tick is a conditioning shampoo concentrate that contains PYRETHRINS for effective flea, lice and tick control. Coconut oil derived ingredients in this formula cleans gently, highlights all colors and makes white sparkle. The protein and lanolin in this shampoo helps condition skin and coat, prevents dryness and gives the coat body and a deep down lustre and sheen. Coat dries smooth, manageable and tangle-free. pH balanced, mild, rinses out completely, leaving the coat smelling fresh and clean. Recommended for puppies and kittens.

**DIRECTIONS FOR USE:** It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**DOGS & CATS:** Use as is, or dilute 1 part with 4 parts of water. Wet coat thoroughly with warm water. Apply shampoo and work well into the coat. Allow lather to stand for 10 minutes if fleas, ticks or lice are present (if heavily infested, use full strength). Rinse with warm water, dry and groom as usual. Repeat every 7 days, if needed.

Do not use on puppies or kittens under 4 weeks of age.

Consult a veterinarian before using this product on debilitated, medicated, aged, pregnant or nursing animals.

**FIRST AID:** Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.
