For a healthier, shinier, more beautiful coat without the need for special rinses, whiteners and conditioners.

DIRECTIONS: Wet animal thoroughly with water. Apply shampoo full strength to stall discolorations first. May also be used full strength on body, mane and tail, or dilute about 1 ounce with a gallon of water. Brush or rub well over animal's entire body. (Allow lather to stand for 5 to 10 minutes if fleas, lice or ticks are present.)
