(6-propyl-piperonyl) ether and 0.18 other related com	pounds.

**NOTIFICATION** 

FEB 1 2 2002

# KEEP OUT OF REACH OF CHILDREN CAUTION

**NET 32 FL. OZ. (946ml)** 

### [SIDE /BACK PANEL]

**DIRECTIONS FOR USE:** It is a violation fo Federal Law to use this product in a manner inconsistent with its labeling. Wet the horse thoroughly with water. Apply shampoo full strength to stains first. May also be used full strength on body, mane, and tail. To dilute, pour 1 or 2 ounces of shampoo into a pail and add about 1 gallon of warm water. Sponge and rub well over animal's entire body. For lice and tick control dilute 1 part shampoo with 4 parts of water. Allow lather to stand for 10 minutes. If heavily infested use full strength. Rinse-remove excess water with a scraper.

### **SHOW-RING PERFECTION IN MINUTES**

Thoroughly cleans skin and coat. Makes stains disappear. Highlights and brightens all colors, makes white sparkle. Leaves manes and tails soft and tanglefree. Contains Lanolin to condition the skin and to prevent dryness and scaling. Natural oils are retained in skin and coat. The absorbable protein in this shampoo works long after rinsing, giving the coat a deep-down luster and sheen. Rinses perfectly clean in seconds.

#### STORAGE AND DISPOSAL

Storage: Store in an area inaccessible to children.

<u>Disposal:</u> If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
