FEB - 3 1998

Dear Mr. Jackson:

Subject: Amendment- PR Notice 96-6
Bio- Groom Flea & Tick II Residual Permethrin Dip
Concentrate
EPA Registration Number 15297-8
Your submission dated October 21, 1997

This amendment referred to above, submitted in connection with registration under FIFRA section 3(c)(7)(a), is acceptable, provided that you:

1. Submit and/or cite all data or other material required for registration/reregistration of your product under FIFRA section 3(c)(5) or FIFRA section 4 when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:

- a. Change "Do not use on dogs or cats under 10 weeks of age." to "Do not use on dogs or cats under 12 weeks of age." or cite acceptable domestic animal safety data supporting a less restrictive age limitation.

3. Submit two (2) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

George T. LaRocca
Product Manager (13)
Insecticide-Rodenticide Branch

[SIDE/BACK PANEL]

READ ENTIRE LABEL BEFORE EACH USE

USE ONLY ON DOGS & CATS

Kills Fleas & Ticks

Gives long lasting residual control and repellency

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

TO KILL FLEAS & TICKS: Dilute 2 fluid ounces (4 tablespoons) with one gallon of water. Dip animal into solution, making sure hair is thoroughly wet to the skin. The area around the ears should be sponged thoroughly. Avoid contact of material with eyes and mouth of animal. Dipping should not exceed 30 seconds. Allow animal to dry in a warm place without rinsing or toweling. Repeat every two weeks, if needed.

Do not use on dogs or cats under 10 weeks of age.

Consult a veterinarian before using this product on debilitated, medicated, aged, pregnant or nursing animals.

STORAGE & DISPOSAL

Storage: Store in a cool dry area away from heat and open flame.

Disposal: Securely wrap original container in several layers of newspaper and discard in trash.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals - WARNING: Causes skin irritation. Harmful if swallowed. Contains petroleum distillate. Do not induce vomiting because of aspiration hazard. Do not get in eyes, on skin or on clothing. Do not contaminate food or feedstuffs with this concentrate or dip. Use protective gloves (mitts) to prevent skin contact. Sensitivities may occur after using ANY pesticide product for pets. If mild signs of sensitivity occur bathe your pets with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

Environmental Hazards: This product is toxic to fish and other aquatic animals. Do not apply directly to any body of water. Do not contaminate water when disposing of equipment washwater.

Physical or Chemical Hazards: Do not use or store near heat or open flame.

FIRST AID

If Swallowed - Call a Poison Control Center immediately. Gastric lavage is indicated if material was taken internally. DO NOT INDUCE VOMITING. Vomiting may cause aspiration pneumonia.

If On Skin - Remove contaminated clothing and wash affected area with soap and plenty of warm water.

If In Eyes - Flush with plenty of water. Get medical attention if irritation persists.

If Inhaled - Remove victim to fresh air and call a physician if effects occur.
