Mr. Gene Peiter
Bio-Derm Laboratories, Inc.
1600 Redman Road
PO Box 8070
Longview, TX 75607

Dear Mr. Peiter:

Subject: Labeling Amendment
BIO-GROOM Repel-35 Insect Control Spray
EPA Registration No. 15297-9
Your Application Dated April 29, 1994

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable, provided that you make the labeling change listed below before you release the product for shipment bearing the amended labeling:

Under Directions for Use for dogs add the following:

"Do not use on old, sick, or debilitated animals. Do not use on cats or kittens."

Submit two copies of your final printed labeling before you release the product for shipment. A stamped copy of the labeling is enclosed for your records.

Sincerely,

George T. LaRocca
Product Manager 13
Insecticide-Rodenticide Branch
Registration Division (7505C)

REPEL-35

Amended Back Panel
(to include use on dogs)

Residual action protects horses from horn flies, face flies, horse flies, mosquitoes and gnats. Kills lice and louse eggs, Ticks and Fleas (adults and Larvae) on dogs.

DIRECTIONS FOR USE It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USING. ON HORSES apply REPEL-35 to a clean coat. Brush animal thoroughly to remove loose dirt and dust or bathe the animal with BIO-GROOM GOLDEN SHEEN Conditioning Shampoo. Allow coat to dry before applying REPEL-35. For protection from flies, mosquitoes and gnats: Apply at a rate of 2 Fl. Oz. per adult animal, sufficient to wet the hair thoroughly. Avoid spraying into eyes, wipe-on around eyes. Repeat every four weeks if required, or as prescribed by a veterinarian. Reapply after animal has been washed or soaked by rain. ON DOGS: To control fleas, ticks and lice: Start spraying at the tail, moving the dispenser rapidly and making sure that the animal's entire body is covered, including the legs and underbody. While spraying, fluff the hair so that the spray will penetrate to the skin. Make sure spray wets thoroughly. Do not spray into eyes or face. Avoid contact with genitalia. Repeat as necessary. Not recommended for use on puppies less than 4 weeks old.

ENVIRONMENTAL HAZARDS: This product is toxic to fish. Do not apply directly to any body of water. Do not contaminate water when disposing of equipment washwater. Buyer assumes all risk for use, storage or handling of this product not in strict accordance with directions given herewith.

PRECAUTIONARY STATEMENTS: Harmful if swallowed or absorbed through skin. Avoid breathing vapors or spray mist. Avoid contact with skin, eyes or clothing. In case of contact, flush with plenty of water. Call a physician if irritation persists. Wash thoroughly after handling and before smoking or eating. Avoid contamination of feed or foodstuff. Do not use in any area where food or feed is stored, prepared, or consumed. Do not use on humans.

STATEMENT OF PRACTICAL TREATMENT: If swallowed, drink one or two glasses of water and induce vomiting by touching the back of the throat with finger. Repeat until vomit fluid is clear. Call a physician immediately. Do not induce vomiting or give anything by mouth to an unconscious person. If inhaled, remove affected person to fresh air. Apply artificial respiration if indicated. If on skin, remove contaminated clothing and wash affected areas with soap and water. If in eyes, flush with plenty of water. Call a physician if irritation exists.

STORAGE AND DISPOSAL: Do not reuse empty container. Wrap container and put in trash collection.
