NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

BEST AVAILABLE COPY

1. This product is non-flammable, non-toxic, and non-persistent. It is not a (b) (7)(C) product. It is a:

1. Submit and/or cite all data required for reregistration of your product under FIFRA sec. 101(5) when you receive a call or notice of similar products to submit such data.
2. Make the labeling change list below for your release of the product for shipment:
 - a. Add the phrase, "EPA Reg. No. 15297-10."
 - b. You must delete the term "long distance" from the word "Long" on label (i.e., "Long distance control of blight on trees..."). The term "long" was non-specific. You may use the term "control of blight on trees for 25 days."
 - c. Add the following precautions under "precautionary statements":
 Wash thoroughly after handling and before eating or smoking. Do not use on old, sick or debilitated animals.

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL  **DATE** 7/16/90

LeMaster 4/13/90

3. Submit five copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

George T. LaRocca
Product Manager (15)
Insecticide-Rodenticide Branch
Registration Division (H7505C)

C A U T I O N

Harmful if swallowed. Avoid contamination of feed and foodstuffs. Avoid breathing spray mist. This product is not for use on humans. Dogs: Do not spray directly in/on eyes, mouth, face or genitals. Do not use on puppies less than four (4) weeks old.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Drink one or two glasses of water and induce vomiting by touching the back of the throat with finger. Repeat until vomit fluid is clear. Call a physician immediately. Do not induce vomiting or give anything by mouth to an unconscious person.

IF INHALED: Remove affected person to fresh air. Apply artificial respiration if indicated.

IF ON SKIN: Remove contaminated clothing and wash affected areas with soap and water.

IF IN EYES: Flush eyes with plenty of water. Call a physician if irritation persists.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to any body of water. Do not contaminate water when disposing of equipment washwater.

Buyer assumes all risks of use, storage or handling of this product not in strict accordance with directions given herewith.

SHAKE WELL BEFORE USING

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Start spraying at the tail, moving the dispenser rapidly and making sure that the animal's entire body is covered, including the legs and underbody. While spraying, fluff the hair so that the spray will penetrate to the skin. Make sure spray wets thoroughly. Do not spray into eyes or face. Cover dogs eyes with hand when spraying head, ears and chest. With finger tips rub into face around mouth, nose and eyes. Avoid contact with genitalia. Not recommended for use on puppies less than four (4) weeks old. Repeat as necessary, or as prescribed by a veterinarian.

(continued)

SIDE PANEL
(CONTINUED)

PET SLEEPING QUARTERS: Spray around baseboards, windows, door frames, wall cracks and local area of floors. If mosquitoes, gnats or flies are present, spray lightly into the air. Repeat as needed. Remove and discard old bedding. Spray new bedding for best results.

STORAGE AND DISPOSAL

Do not reuse empty container. Wrap container and put in trash collection. ✓
