TREATMENT and additional precautionary statements.

ACTIVE INGREDIENT:

2,4 dichlorophenoxyacetic acid.....97%

INERT INGREDIENTS:3%
100%

NET WEIGHT 55 POUNDS
NET WEIGHT 25 KILOS

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION - Harmful or fatal if swallowed. Do not breathe dust
or get into eyes, or on skin or clothing. Wash thoroughly after
handling.

Statement of Practical Treatment:

In case of contact, wash skin with plenty of soap and water. For
eyes, flush with water for 15 minutes and get medical attention.

Environmental Hazards

Do not discharge effluent containing this product into lakes,
streams, ponds, estuaries, oceans or public waters unless this
product is specifically identified and addressed in a NPDES
permit. Do not discharge effluent containing this product into
sewer systems without previously notifying the sewage
treatment plant authority. For guidance, contact your State
Water Board or Regional Office of the E.P.A.

It is a violation of federal law to use this product in a
manner inconsistent with its labelling.

STORAGE AND DISPOSAL

Storage: Store in original container separate from other
pesticides, fertilizers, food and feed.

Pesticide Disposal: Pesticide wastes are toxic. Improper
disposal of excess pesticide, spray mixture, or rinsate is a
violation of federal law. If these wastes cannot be disposed of
by use according to label instructions, contact your State
Pesticide or Environmental Control Agency, or the Hazardous
Waste representative at the nearest EPA Regional Office for
guidance.

Container Disposal: Completely empty bag into application
equipment. Then dispose of empty bag in a sanitary landfill or
by incineration, or, if allowed by State and local authorities, by
burning. If burned, stay out of smoke.
