

U.S. ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Registration Division (7505C) 401 "M" St., S.W. Washington, D.C. 20460

NOTICE OF PESTICIDE:

x Registration Reregistration

(under FIFRA, as amended)

EPA Reg. Number: Date of Issuance:

SEP 2.9 1995

15440-24

Term of Issuance:
Conditional

Name of Pesticide Product:

Dichlorprop-p Technical Acid

Name and Address of Registrant (include ZIP Code):

A.H. Marks and Company Limited Wyke Bradford West Yorkshire BD12 9EJ England

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

- 1. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
- 2. Submit information concerning the Mass Median Aerodynamic Diameter (MMAD) that is required to upgrade the acute inhalation study (MRID #429853-10). Refer to the Agency's July 21, 1995 review, which was previously sent to you, for details. This information must be submitted within 60 days of the date of this notice.
- 3. Submit adequate mutagenicity data to satisfy Guideline no. 84-2. We acknowledge that you have submitted four mutagenicity studies to satisfy this requirement (MRID #429853-13, -14, -15, and -16). We will notify you of the results of our review of these studies, once completed.

Signature of Approving Official:

Date

SEP 29 1995

page 2 EPA Reg. No. 15440-24

- 4. Make the following label changes:
  - a. Revise the EPA Registration Number to read, "EPA Reg. No. "15440-24".
  - b. In the last sentence of the Hazards to Humans and Domestic Animals section, replace the word "to" with the word "in". This sentence should read: "Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals."
  - c. Correct the spelling of the product name. The correct spelling is "Dichlorprop-p Technical Acid".

Additional label revision may be necessary upon completion of our review of the information required in item 2, above.

5. Submit one copy of the revised firal printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.
