

A H MARKS**Technical Dichlorprop-p 2-Ethylhexyl Ester****(+)(R)-2-(2,4-dichlorophenoxy)propionic acid 2-ethylhexyl ester****FOR USE ONLY IN FORMULATING HERBICIDES**

Formulators using their material are responsible for obtaining EPA registration of their end use products.

ACTIVE INGREDIENT

(R)-2-(2,4-dichlorophenoxy) propionic acid 2-ethylhexyl ester* 92.0%

INERT INGREDIENTS 8.0%

TOTAL 100.0%

*2,4-DP-p Acid Equivalent: 62.3% by weight

Keep out of reach of children

WARNING

See side panel for additional precautionary statements and Statement of Practical Treatment

PRECAUTIONARY STATEMENTS**Hazards to humans and domestic animals**

WARNING- Causes substantial but temporary eye injury or skin irritation. Harmful if swallowed or absorbed through skin. Do not get in eyes, on skin or on clothing. Wear goggles or face shield. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. Harmful if inhaled.

FIRST AID**If in Eyes**

- Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

If Swallowed

- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

If Inhaled

- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth, if possible.
- Call a poison control center or doctor for further treatment advice.

If on Skin or Clothing

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

Note to Physician

Probable mucosal damage may contraindicate the use of gastric lavage

Environmental Hazards

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge

effluent containing this product into sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the Environmental Protection Agency.

DIRECTIONS FOR USE

It is a violation under federal law to use this product in a manner inconsistent with its labelling.

Only for formulation into a herbicide for the following uses: (1) on golf courses or domestic lawns, commercial, industrial or athletic turf, highways and utility rights-of-way; (2) uses for which USEPA has accepted the required data and/or citations of the data that the formulator has submitted in support of registration; and (3) uses for experimental purposes that are in compliance with USEPA requirements.

STORAGE AND DISPOSAL**Prohibitions**

Do not contaminate water, food or feed by storage, disposal, cleaning of equipment. Open burning and dumping is prohibited. Do not re-use empty container.

Storage

Store in original container separate from other pesticides, fertilizers, food and feed.

Pesticide disposal

Wastes resulting from use of this product may be disposed of on site or at an appropriate waste disposal facility. Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container disposal

Completely empty drum and triple rinse. Offer for recycling or reconditioning or dispose in a sanitary landfill or by other State and local procedures.
