**DISINFECTS AND DEODORIZES AS IT CLEANS ENCRUSTED TOILET  
 BOWLS AND URINALS AND SOLID PORCELAIN FIXTURES**

EXTRA CONCENTRATE AND INHIBITORS ASSURE ACTION

**DIRECTIONS**

**TO CLEAN AND DISINFECT TOILET BOWLS:** For fast action, remove water from bowl by forcing over trap with mop. Hold mop over bowl and pour a minimum of 1 ounce of concentrate over mop. Swab entire side area of bowl, particularly under rim and at water outlets, as well as drain at bottom. Swab entire seat and cover with solution. Flush toilet. Remove seat and cover with potable water.

**TO CLEAN AND DISINFECT URINALS:** Hold mop over trap in urinal and saturate with a minimum of one ounce Cleaner. Clean thoroughly, wetting entire surface. Swab cleaner in grooves along the sides, in and around water outlets, and at top of urinal. When surface has been cleaned, remove screen from urinal trap and pour 1 to 2 ounces of concentrate around outlet and into drain opening. Swab inside of pipe thoroughly. Replace screen and flush urinal.

**SOLID PORCELAIN FIXTURES:** Cleaner applied undiluted to mop rapidly cleans, disinfects and deodorizes. **IMPORTANT:** Do not use on glaze or enamel on porcelain coated or chrome coated fixtures or surfaces sensitive to acids. Avoid splashing on nylon. Cleaner quickly and effectively attacks rust, scale, and encrustations. Seal toilet tanks. Do not use on plumbing with lead pipes and plumbing. Can be used in systems with septic tanks.

**DANGER CORROSIVE**

Contains hydrochloric acid. Keep out of reach of children. May be fatal if swallowed. Do not breathe vapor or fumes. Protect eyes, skin, and clothing. Do not get in eyes, on skin, or on clothing.

**ANTIDOTE**

If swallowed, do not induce vomiting. Drink plenty of water. If more than 100 ml. is swallowed, give 100 ml. water with each 100 ml. of vomit.

**EYE CONTACT:** Wash with water for 15 minutes. Get medical attention.

**SKIN CONTACT:** Wash with water for 15 minutes. Get medical attention.

**NOTE:** This product is not intended for use on any surface that is not resistant to acids. Do not use on any surface that is not resistant to acids.
