Attention: Judd L. Peskin
General Manager

Gentlemen:

Subject: Powerhouse Super Concentrated Emulsion Bowl Cleaner
and Disinfectant
EPA Registration No. 15567-6
Your Submission Dated March 11, 1991

This is in response to your resubmission regarding your request to amend the registration of this product by declaring certain Active Ingredients as Inert Ingredients.

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable provided that you:

1. Make the following labeling revision before you release the product for shipment bearing the amended labeling:
 - The word "POISON" must appear in red on a contrasting background.
2. Submit the revised final printed labeling for inclusion in the product file.

Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.
