NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

**NOTE:** Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

1. Submit to the Agency all labeling for the product in question/Inregistrant/ Reregistrant product. This includes all labeling required by the Act and all other labeling for the product.
2. Make the following changes in the label when you release the product for shipment:
  - a. Add the phrase "EPA Registration No. 15567-14."
  - b. Include a statement for the necessity for removal of gross filth or heavy soil, prior to application of disinfectant.
  - c. Change the statement "This product will effectively inhibit the growth of mold and mildew..." to read "This product will effectively inhibit the growth of mold and mildew..."
  - d. The phrase "Active Ingredient" or "Inert Ingredient" must be included in the label.

CONTAINER DISPOSAL

**A READY TO USE CLEANER/DISINFECTANT  
WILL DISINFECT, CLEAN AND DEODORIZE HARD, NON-POROUS  
SURFACES**

Not only helps control the hazard of cross-contamination from treated surfaces on hard, non-porous environmental surfaces, but also kills many microorganisms that cause odors. Recommended for disinfecting pre-cleaned hard, non-porous, inanimate surfaces. For use in: hotels/motels, restaurants, hospitals, nursing homes... any commercial, institutional or industrial building.

Kills *Salmonella choleraesuis*, *Pseudomonas aeruginosa*, *Staphylococcus aureus* and *Trichophyton* (Athlete's Foot Fungus).  
Precautionary Statements *NEVER USE ON PETS*  
Hazardous to Humans and Domestic Animals

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**FOR CLEANING:** A preliminary cleaning is required.  
**FOR DISINFECTING:** Apply product to pre-cleaned walls, floors, garbage cans and other hard, non-porous surfaces, such as countertops, sinks, bathroom fixtures, tables, chairs, bedframes and showers with mechanical spray device so as to thoroughly wet all surfaces for a contact time of 10 minutes. Let air dry or wipe dry.

**MILDEWSTATIC INSTRUCTIONS:** This product will effectively inhibit the growth of mold and mildew plus the odors caused by them when applied to hard, non-porous surfaces, such as walls, floors and table tops. Apply solution by spraying product, making sure to wet all surfaces completely. Let air dry. For best results, repeat weekly to control growth.

**Storage and Disposal**

Do not reuse empty container. Rinse thoroughly before discarding in trash. Securely wrap original container in several layers of newspaper and discard.

**Pesticide Disposal**

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray or mixture or rinse is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**Metal Container:** Triple rinse, then offer for recycling or reconditioning, or dispose of in a sanitary landfill.

**CONSULT FEDERAL, STATE OR LOCAL AUTHORITIES FOR ALTERNATIVE PROCEDURES, SUCH AS LIMITED OPEN BURNING.**  
KEEP CONTAINER CLOSED WHEN NOT IN USE. MADE FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY.
