

GERMICIDAL DEODORIZING CLEANER

EFFECTIVE AGAINST ODOR CAUSING GERMS

FOR ALL WASHABLE HARD SURFACES. Natural pine-fresh scented Pine Crown cuts through wax, grease, grime, and film with no hard rubbing or rinsing required. Pine Crown also helps prevent mold and mildew and the odors they cause. Pine Crown is safe for finished wood, metal, glass, and plastic surfaces, floors, walls, woodwork, diaper and garbage pails, car and boat interiors, and whitewall tires. Use Pine Crown to clean and deodorize all through the house, in the bathroom, kitchen, basement, pet areas, and garage.

DIRECTIONS FOR USE: It is a violation of federal law to use this product in a manner inconsistent with its label. Use 1/2 cup Pine Crown in 1 gallon of water, or add Pine Crown to other detergents to improve their cleaning power. For tough cleaning jobs, use Pine Crown full strength to clean and deodorize the toilet bowl, for soaking paint brushes, and to clean tough stains such as lipstick, scuff marks, tar, gum, oil, and grease. For sensitive skin, wear rubber gloves. Rinse only after using Pine Crown full strength or if surface may come in contact with food. **Dog Bath:** For a clean, fresh smelling coat use 1 tablespoon Pine Crown per each gallon of soapy water. **Laundry:** For extra cleaning power when washing work clothes or diapers, add 1/2 cup Pine Crown (along with detergent) per each wash load. To deodorize diapers pre-soak them using 1/2 cup Pine Crown per each gallon of water.

STORAGE AND DISPOSAL: Rinse empty container thoroughly with water and discard in regular trash collection.

PRECAUTIONARY STATEMENTS: Hazard to humans and domestic animals. Causes eye and skin irritation. Do not get in eyes, on skin, or on clothing. Harmful if swallowed. Avoid contamination of food. First Aid: In case of skin or eye contact, flush thoroughly with plenty of water. For eyes call a physician. If swallowed do not induce vomiting, but drink promptly a large amount of milk or water and call a physician.

PHYSICAL OR CHEMICAL HAZARD: Keep away from heat, sparks and open flame.
